Dear President Board:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting January 7-9, 2015, reviewed the Follow-Up Report submitted by Cerro Coso Community College. The Follow-Up Report was certified by district and college leadership, including the chair of the governing board, the chancellor, the college president, and leaders of the faculty, and staff organizations.

Based on the College Report and evidence submitted, the Commission finds that Cerro Coso Community College has addressed College Recommendation 2 and has fully resolved the deficiencies in College policies, procedures, and practices which led to noncompliance with Standards I.B.1-7, II.A.2.f, II.B.3, III.A.6, IV.A.5, IV.B.2, and IV.B.2.b.

The next report required from the College will be the Midterm Report in fall 2015. Institutions are expected to meet Eligibility Requirements, Accreditation Standards, and Commission policies at all times during the six-year review cycle. Cerro Coso Community College must demonstrate to the Commission at the time of the Midterm Report that the recent changes implemented to resolve deficiencies and meet Eligibility Requirements and Standards have been sustained. Cerro Coso Community College should submit the **Midterm Report by October 15, 2015.**¹

The Follow-Up Report submitted in October 2014 will become part of the accreditation history of the College. The Commission requires that you give the Follow-Up Report and this letter appropriate dissemination to your College staff and to those who were signatories of the Report. This group should include the Chancellor, campus leadership, and the Board of Trustees.

The Commission also requires that the Follow-Up Report and this Commission action letter be made available to students and the public by placing a copy on the College website. *Please note that in response to public interest in disclosure, the Commission now requires institutions to*

Cerro Coso Community College must demonstrate to the Commission at the time of the next regularly scheduled report that the recent changes implemented to resolve deficiencies and meet Eligibility Requirements and Standards have been sustained.

On behalf of the Commission, I wish to express continuing interest in the institution's educational quality and students' success. Professional self-regulation is the most effective means of assuring institutional integrity, effectiveness, and educational quality.

Sincerely,
