## Apply

[Cerro Coso Application](#)

Instructional Video - HOW TO APPLY TO CERRO COSO from Cerro Coso Community College on Vimeo.

**Continuing Students:** If you are a continuing student, (registered in classes for the current term) DO NOT reapply for admission. You will be required to complete an update when for classes. Continuing students will receive an appointment to register for the next term as long as their update is complete. Appointments will be available via InsideCC a few weeks before registration starts. [Admissions Update Instructions](#)

**New Students:** You're considered a new student if you've never taken classes at Cerro Coso Community College. New students, regardless of their educational background and goal, must apply for admission. If you need financial assistance, apply for financial aid - you'll be given an opportunity to apply via the FAFSA website at the end of this application. [Admissions Application Instructions](#)

**Returning Students:** Returning students are those who have previously attended Cerro Coso Community College but have missed two or more semesters. Returning students must apply for admission. [Admissions Application Instructions](#)

**High School Seniors:** If you are a senior in High School and are currently taking classes at Cerro Coso College, and plan on continuing to take classes for the next semester at CC, you MUST reapply to Cerro Coso College as a "First Time College student" during the second half of your senior year. Select high school graduate even though you won't graduate for a few months. [Admissions Application Instructions](#)

**High School Students (below the 12th grade):** High School students seeking to enroll in advanced scholastic or vocational coursework not available at the high school may be eligible to attend Cerro Coso Community College. Students enrolled in K-12 may use the online application, but must submit a Concurrent Enrollment Form before registering for classes.

### Confirmation

Once you submit your online application, you'll receive a confirmation email immediately (sent to the email address you supplied on your application) and a welcome email from the college approximately 3-5 business days later. The welcome letter will provide instructions on what you need to do next. Please make sure to read all the information in the email you receive regarding your application.

Please make sure that the email address you provide is correct so that you receive confirmation of your application and instructions. Please check your spam folder if you don't receive an email response within 5-10 business days.

## Frequently Asked Questions

### What is CCC Apply?

California has created an application that will be used by all California Community Colleges. It is called CCC Apply. KCCCD (Kern Community College District) is using this application beginning with the Summer/Fall 2016 enrollment. At that time, campus websites will direct students applying for summer and fall to the new application.

### What process should I go through to apply to your college?

1. Visit our web page, read the instructions about applying
2. Click on an application link and be taken to CCCApply
3. Create an OpenCCC account
4. Submit an application to our college
5. At the end of the CCCApply application, there is a "Sign Out & Finish" button that will take you back to our website. If you do not click this button, you should receive an email shortly after you apply with a link to create a college account.
6. By clicking on the "Sign Out & Finish" or the link you receive in the email, you'll see a form where you can choose your college-assigned email and password. Once this is done, you have access to our systems.
7. [Admissions Application Instructions](#)

### What happens if I didn't click "Sign Out & Finish" and didn't get an email?

If you didn't get an email, you may have entered an incorrect email address into the application or the email could be in your email's SPAM folder. You can go to the Application Lookup link at <https://banweb.kccd.edu/ccapply/#/cccapply/lookup> where you can enter your Last Name, Last 4 of your SSN and Date of Birth to get back to step 6 (see the question above for steps).

### What happens if the Application Lookup link doesn't work?

This may mean that you didn't finish your application or that there's a typo in your last name, SSN, or date of birth. You can contact Admissions and Records for more help.

### I'm having difficulty filling out the CCCApply application, and it looks like a technical error. What should I do?

CCCApply has a 24/7/365 student help desk.

## Registration

### Registration Times

#### Priority Registration Order

Priority or early registration is given to Continuing Students who have completed the core components required for early registration. The core components consist of

- Assessment
  - Orientation
  - Counseling
- and the completion of a  Student Educational Plan (SEP)

Even if a student is exempt from these core components, the student may complete any of the components to increase the probability of academic success.

First-term priority registration includes assessment, orientation, and counseling/advising; continuing priority registration includes the completion of a Student Educational Plan.

<b>Day 1-2</b>	Veterans, Foster Youth or Former Foster Youth, DSPS, EOPS
<b>Day 3</b>	Honor Students
<b>Day 4-10</b>	Continuing Students with less than 100 Units Attempted (excluding students on academic standing probation) <b>AND</b> Prior Year Graduates of High Schools in the District
<b>Day 11-14</b>	New Students not Included Above
<b>Day 15</b>	Open Registration

This table reflects a combination of State or Federal mandated groups, priorities that align with the College Mission and the goal of increasing student success and completion. Overall, students must have completed orientation, assessment, and have met with a counselor for initial early registration and have completed a Student Educational Plan (SEP) for subsequent early registration.

You may be given early registration status if you complete the following steps:

1. Make an appointment with a counselor.
2. Select your courses.
3. File a Graduation Evaluation Request Form with a counselor who will verify eligibility for graduation and give you an early registration time.

### Early Registration Appointments

Students can view their early registration appointments via the web. See [How to Check Your Registration Status](#) for full instructions.

You may also inquire at your local campus office, or at the Office of Counseling, or at ACCESS Programs at the Ridgecrest / IWV campus. You may register at the time shown or anytime thereafter that the system is available. Your registration will not be accepted prior to the scheduled time. Early registration notification will not be mailed.

### Registration after Classes Begin

All courses are closed for enrollment after the first course meeting. Late adds are granted for extenuating circumstance only. Examples of verifiable extenuating circumstances may be: accidents, illness, death of an immediate family member, or other circumstances beyond the control of the student. A late add petition must be signed by the student, instructor, and the Vice President of Academic Affairs. Documentation of extenuating circumstance will be required.

### Short Term Classes

You may not add a short term/late start class by phone or online on/or after its initial class meeting date.

### Waitlist

If a class is full when you register, you will be added to the [waitlist](#).
