LIBRARY INSTRUCTION

Online Classes / Canvas Supplements

- **Embedded Librarian:**
  - Answer student research and citation questions on-demand via forums and chat, all semester long.
  - Moderate and grade discussions & activities related to research papers, developing topics, citation, etc.
- **Strengthen Information and Digital Literacy Skills:**
  - Provide ideas and activities for building critical skills that result in improved student work.
- **Create Resource-Rich Online Classrooms:**
  - Populate courses with videos, tutorials, and reading lists embedded seamlessly from library databases.
- **Ensuring copyright compliance:**
  - Consult on copyright, Fair Use guidelines, and Creative Commons.
  - Provide Open Education Resources and copyright-compliant options for course materials.

On-Ground Classes (All Sites)

- **Class Orientations:**
  - Can be general library introductions or targeted to specific course assignments.
  - Hands-on orientations in locating scholarly sources and practicing citations using a computer classroom.
  - Single class visit or multiple visits throughout the semester.
