What is your primary campus?

52 responses

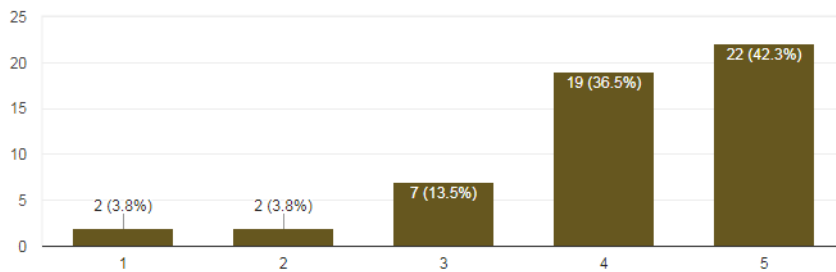

I am satisfied with the library's print collections, ebooks, databases, services, and other resources.

52 responses

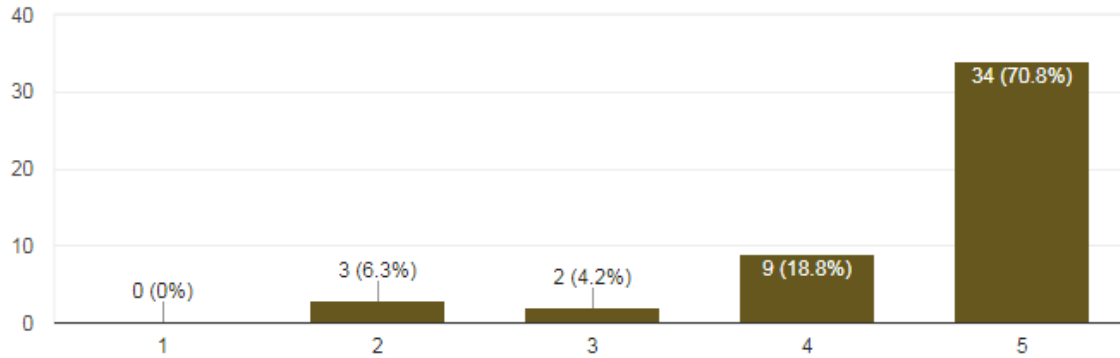

The library collections, including books, eBooks, databases, and Interlibrary Loan are sufficient to meet my instructional needs.

52 responses

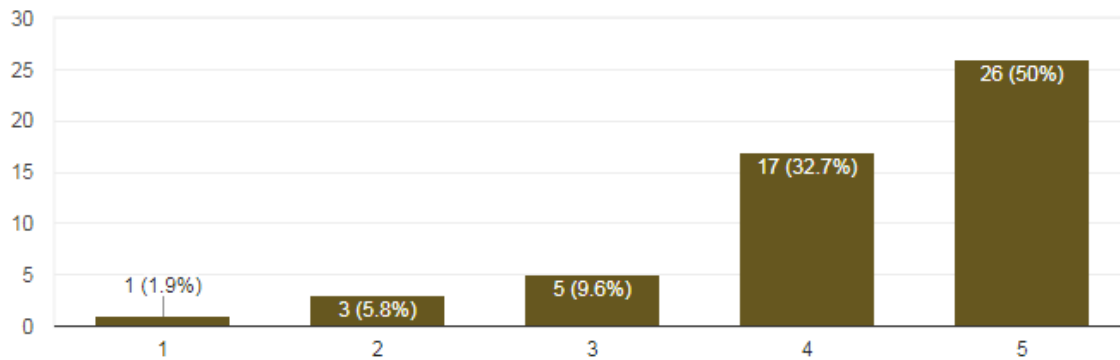

The IWV/Ridgecrest library provides an environment that supports student learning and faculty teaching and research.

48 responses

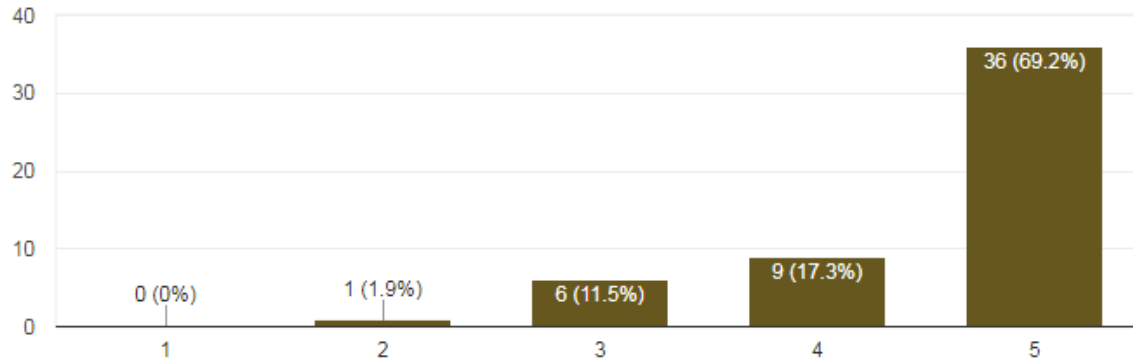

The library webpage is easy to navigate and fosters student learning and faculty teaching and research.

52 responses

The librarians and library staff provide effective assistance and instruction in using library resources.

52 responses

I have taught a course section where a librarian has provided instruction and/or support. (You may choose more than one teaching modality.)
