Canvas Orientation for Faculty (Self-Pace, Online, Offered by Instructure) – This is a self-paced Canvas Instructor Orientation course designed to familiarize instructors with the basic need-to-know tools and features of Canvas in an effort to prepare them for course design and delivery.
https://resources.instructure.com/courses/445

Introduction to Teaching with Canvas (Self-Pace, Online, Offered by @One) – This course introduces you how to teach using the Canvas learning management system by Instructure. You will learn how the system works through a series of curated readings and recall what you have learned through formative quizzes. You will also be provided with an opportunity to practice what you have learned through a series of hands-on exercises focused on the subject you teach.
