2017 Annual Campus Security and Fire Safety Report

The Cerro Coso Community College Annual Campus Security and Fire Safety Report is published each year to provide crime and fire statistics and information on safety and security related services offered by the college, in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act or Clery Act. This report has been modified to include the new requirements imposed by the Violence Against Women Reauthorization Act (VAWA) Campus Sexual Violence Act (SaVe Act) provision, section 304.

This report is prepared with data and information provided by the Cerro Coso Community College Campus Safety Office, the Office of the Director of Student Life, campus security authorities and various law enforcement agencies that provide services to Cerro Coso Community College properties within their jurisdictions. The report summarizes college and campus safety and security programs and contains policies and procedures designed to enhance personal safety at Cerro Coso Community College.

The 2017 Annual Campus Security and Fire Safety Report is posted on the Cerro Coso Community College Campus Safety website in PDF format. Crime and disciplinary referral statistics are located at the end of the report. This report has been modified to include the new requirements imposed by the Campus Sexual Violence Act (SaVe Act) provision, Section 304.

For more information regarding campus safety or to request a paper copy of the report, contact the Cerro Coso Community College Campus Safety Office at (760)384-6367, email the Safety and Security Program Manager at cc_saftey@listserv.cerrocoso.edu or write to the department at Cerro Coso Community College Campus Safety Office at 3000 College Heights Blvd. Ridgecrest, CA 93555.

The Jeanne Clery Story- Courtesy of the Clery Center for Security On Campus

Focused on advocacy, education and collaboration, the Clery Center for Security On Campus (formerly Security On Campus, Inc.) is a nonprofit 501(c)(3) organization dedicated to safe campus communities nationwide. The organization was founded in 1987 by Connie and Howard Clery following the April, 1986 rape and murder of their 19-year-old daughter Jeanne in her Lehigh University dorm room. Her assailant, who is spending life behind bars without parole, was also a student at the school whom Jeanne did not know prior to the attack.

Through their grief, and with strength and courage, the Clery's committed themselves to creating enduring change. They were alarmed by the lack of information provided students and families about the rapid increase of violent and non-violent incidents on campuses; they realized that while crimes were being reported to campus authorities, administrators often failed to provide adequate warnings about those incidents—even more troubling, there were no uniform laws mandating them to do so.

The Clery's took their fight to Capitol Hill. In 1990, three years after the organization's founding, Congress approved the Crime Awareness and Campus Security Act. Later renamed in Jeanne's memory, the Jeanne Clery Act took effect in 1991. It requires colleges and universities to disclose their security policies, keep a public crime log, publish an annual crime report and provide timely warnings to students and campus employees about a crime posing an immediate or ongoing threat to students and campus employees. The law also ensures certain basic rights for victims of campus sexual assaults and requires the U.S. Department of Education to collect and disseminate campus crime statistics.

A new set of amendments, including updated emergency response and warning procedures and hate crime reporting standards were added to the Clery Act in 2008. A full text of 20 USC 1092(f) can be found at: <https://www.niu.edu/generalcounsel/safety/Clery%20Act.pdf>

Jeanne Clery's death led to significant changes in campus safety, but it is her life and her spirit that is

remembered. Her legacy is one of love - love for the special people in her life, many of whom used the tragedy of her death as motivation to create positive change at colleges and universities nationwide.

"A personal note about Jeannie...she was your typical freshman. She was a good student, well-liked, and a tad shy, but social. She was pretty, athletic, and had an infectious laugh. She was slightly a tomboy, and obviously grew up in a house with two brothers as she didn't take much crap from her guy friends and could have probably beat most of us in an arm wrestle. She was our friend, my occasional date, a great person to hang out with, just one of our group. [She was] special..." - Andy Cagnetta, Friend of Jeanne and Clery Center Board Member

"Jeanne loved Lehigh and she loved her Lehigh friends. I was pleased to see her growing into a mature young woman. Jeanne would tell me stories of her time at Lehigh, like being thrown upside down in a trash barrel, and I would say kiddingly, 'Were you in slacks?' 'Of course I was, Mom.' And she loved going to Phi Sig Fraternity, her favorite fraternity. Jeanne was so sweet and beautiful (more beautiful inside) but also strong and fun loving. She was joy, total joy." - Connie Clery, Jeanne's mother and Clery Center Founder and Chairwoman Emerita.

Introduction and Purpose

In 1998, the federal government passed the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, or commonly referred to as the Clery Act. This law requires colleges and universities receiving federal funding to publish an annual report disclosing campus security policies and three years of selected crime and fire statistics, to make timely warnings to the campus community about crimes that pose an ongoing threat to students and employees, and to post a public crime log. This document is the annual report.

Cerro Coso Community College is a city within a city, complete with a complex network of departments and personnel needed to run smoothly. The Indian Wells Valley campus, located in Ridgecrest, California, 160 miles northeast of Los Angeles, is situated on a dramatic site overlooking the Sierra Nevada, Coso, Panamint, and Argus mountain ranges. At an elevation of 2,800 feet, the campus aesthetically emphasizes the rugged beauty of one of America's most famous deserts, the upper Mojave Desert. The Ridgecrest/IWV campus features an Astronomical Observatory and a Solar Photovoltaic Field, two features that make the campus, and the college, unique amongst California Community Colleges.

From the Ridgecrest/IWV campus, the college serves the communities of Ridgecrest, China Lake, Inyokern, and Trona. This area is more commonly referred to as the Indian Wells Valley. The Indian Wells Valley is the second largest population base in Kern County. Population and distance (over one and a half hours from the next largest town) dictated the need for educational opportunities at the local level as early as the mid-60's.

The 2016 Annual Campus Security and Fire Safety Report details important efforts to prepare for, provide, and enhance the safety needs of the community. The following report meets federal requirements for annual reporting of incidents on campus, including the Higher Education Opportunity Act of 2008 related to the Jeanne Clery Act, emergency notification and fire safety reporting.

The East Kern Center serves the communities of Edwards Air Force Base, North Edwards, Mojave, Boron, and California City. The program is administered from Edwards Air Force Base, where the college maintains an office provided by the United States Air Force. Cerro Coso Community College also provides course offerings at various locations in North Edwards, Mojave, Boron, California City and Tehachapi. There are Associate degree programs in Liberal Arts offered through the East Kern Center.

The Eastern Sierra College Campuses serve the communities of Mammoth Lakes, Bishop, Big Pine, Lone Pine, Independence, and Death Valley, as well as other locations in Inyo and southern Mono Counties. A comprehensive educational program with both day and evening classes is provided, including courses for transfer, general interest, general education, and occupational programs. The Eastern Sierra College Campuses are located in the communities of Bishop and Mammoth Lakes.

The Kern River Valley Campus serves the communities of the Kern River Valley from its campus at the Kern Valley Plaza in Lake Isabella. Students in Lake Isabella, Wofford Heights, Kernville, Mt. Mesa, South Lake, and Onyx can find easy access to the campus via public and private transportation. The campus offers both day and evening classes to provide educational alternatives including two-year programs leading to transfer to the university level, two-year AA and AS degrees, short-term vocational programs, single-course options which may lead to immediate employment, personal enrichment classes, and professional upgrade classes. Kern River Valley Campus offers testing, counseling, advisement, and financial aid assistance, which can enable students to meet their educational goals.

The purpose of the Clery Act is to provide students, families, and employees with accurate, complete and timely information about campus safety so that they can make informed decisions. The Cerro Coso Community College Campus Safety Office publishes the Annual Campus Security and Fire Safety Report in compliance with the Clery Act. It also offers it as a resource guide, directing readers to campus safety and security services such as crime prevention, security awareness, fire safety drills, alcohol and substance abuse policies, sexual assault, procedures for reporting a crime, emergency and evacuation procedures, as well as other matters of importance, to the campus community as well as providing crime prevention and personal safety guidance and strategies.

Message from the President

Before you is the 2017 Annual Security and Fire Safety Report for Cerro Coso Community College. The objective of this report is to communicate out to our employees, students, and visitors important information regarding the crime statistics at all of our various campuses. This report also complies with the Jeanne Clery Disclosure of Campus Policy and Campus Crime Statistics Act and is part of our continuing effort to ensure transparency.

The expectation is that our entire college community will contribute to developing and nurturing a secure and safe learning environment. To this end, information, education and being personally vigilant are the most powerful tools we have to protect the safety and security of all various community campuses. We cannot achieve total protection from unsafe conditions and crime without every person taking responsibility to share when they are made aware. Together we can keep Cerro Coso Community College the safe, clean environment that we have grown accustomed to.

Lastly, it is our intent that you find your work and educational environment to be secure and comfortable and most importantly we continue to work together so this is achieved.

Jill Board

President – Cerro Coso Community College

Clery Act Compliance

The Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act, as a part of the Higher Education Act of 1965, is a federal law that requires colleges and universities to annually disclose certain information about campus crime and security and fire safety policies. All public and private institutions of postsecondary education participating in Title IV financial aid programs are required to:

- Publish an annual report disclosing campus security policies and three years of selected crime and fire statistics.
- Make timely warnings to the campus community about crimes that pose an ongoing threat.
- Keep a public crime log.
- Uphold basic rights to victims of sexual assault.
- Make accurate crime statistics available to the U.S. Department of Education, which centrally collects and disseminates campus crime statistics at the national level.

Preparation of the Annual Report

The Annual Campus Security and Fire Safety Report (ASR) is published on October first each year on the Cerro Coso Community College website home page and a link to the document is located the bottom of each page. The ASR also exists on the Cerro Coso Community College Campus Safety website <https://www.cerrocoso.edu/campus-safety>, the Admissions website <https://www.cerrocoso.edu/student-services/admissions>, and the Human Resources website <https://www.cerrocoso.edu/faculty-staff>. This year's report reflects the crime statistics that were reported in 2014, 2015, and 2016. There is no reporting of Fire statistics or Missing Persons, as the college does not provide on or off campus living facilities to students.

The Annual Campus Security and Fire Safety Report is maintained by the Kern Community College District Office of Enterprise Risk Management (OERM). Beginning in August each year, the OERM, in partnership with the public safety managers of each campus, reviews and updates the ASR template to ensure compliance with the latest available updates to the Clery, VAWA and SaVe Acts. Once the template is updated, the public safety managers from each of the three main campuses insert statistical information and resources specific to their individual campuses before publishing the report on October 1. The report may be viewed on the Cerro Coso Community College Campus Safety website <https://www.cerrocoso.edu/campus-safety>. To request a paper copy of the report, contact the Cerro Coso Community College Safety and Security Program Manager at (760)384-6367 or 3000 College Heights Blvd. Ridgecrest, CA 93555.

In order to comply with the Violence Against Women Reauthorization Act, the crime categories were expanded in 2015 to include domestic violence, sexual assault, dating violence and stalking. The report reflects the campus' ongoing efforts to refine and clarify student discipline procedures. Additionally, this report reflects the current review of institutional policies to adopt practices that address and prevent campus sexual violence through training and awareness campaigns for students and employees.

Crime statistics include certain categories of crimes and judicial referrals required for disclosure under the Clery Act which occurred on campus, properties owned or controlled by Cerro Coso Community College and on public properties immediately adjacent to and accessible from the Cerro Coso Community College campus in compliance with the Violence Against Women Reauthorization Act (VAWA). Campus crime, arrest and judicial referral statistics include those reported to the Cerro Coso Community College Campus Safety Office staff, campus security authorities (as defined by federal law), and law enforcement authorities in whose jurisdiction the Cerro Coso Community College properties reside. The Cerro Coso Community College Campus Safety Office discloses all incidents reported to the department that fall into any of the required reporting classifications as a statistic in the annual report.

Notification Process

By October 1st each year, all enrolled students and employees receive an email notification regarding the content and availability of the Annual Campus Security and Fire Safety Report. The email provides information regarding how to access the report. The electronic postcard (see below) is distributed via email to:

- All faculty and staff
- All students (currently enrolled and those who have applied by October 1st)
- Prospective students who do not fall into the above category receive the notification as part of an information packet.

Notification is also posted in the following locations:

- Cerro Coso Community College Website Home Page <https://www.cerrocoso.edu/>
- Human Resources website (for prospective employees) in the Campus Safety link at the bottom of the page <https://www.kccd.edu/about/campus-safety>
- Admissions website (for prospective students) at the bottom of the page <https://www.cerrocoso.edu/student-services/admissions>

October 1, 2017

Dear Cerro Coso Community College Faculty Member, Staff Member, Student, or Prospective Student:

In compliance with federal law, Cerro Coso Community College prepares an annual report on campus security and fire safety programs and services. The 2017 Annual Campus Security and Fire Safety Report is available online at

<https://www.cerrocoso.edu/download/531>

The report includes crime statistics for the previous three calendar years concerning reported crimes that occurred on campus; in certain off-campus buildings or property owned or controlled by Cerro Coso Community College; and on public property within or immediately adjacent to and accessible from the campus. No Fire statistics or Missing Person's statistics are included, as Cerro Coso Community College does not offer student-housing facilities.

The report also includes information and policy statements regarding campus security and safety, for example, crime prevention, security awareness, fire safety drills, alcohol and substance abuse, sexual assault, procedures for reporting a crime and emergency and evacuation procedures, as well as other matters of importance to the campus community. This report has been modified to include the new requirements imposed by the Violence Against Women Reauthorization Act (VAWA) - Campus Sexual Violence Act (SaVE Act) provision, Section 304. Compliance with provisions does not constitute a violation of section 444 of the General Education Provisions Act (20 U.S.C 1232g), commonly known as the Family Educational Rights and Privacy Act of 1974 (FERPA).

You may request a paper copy of the report from Cerro Coso Community College Campus Safety Office at 3000 College Heights Blvd. Ridgecrest, CA 93555 or (760)384-6367.

A Safe Campus Is a Team Effort

The Cerro Coso Community College Safety and Security Program is a community-oriented, trust-based safety and security program. Our community-oriented approach fully engages our campus community in identifying and addressing problems through a collaborative process.

The Cerro Coso Community College Campus Safety Office is committed to adopting a problem-solving model, where criminal behavior is addressed at the root causes. The Cerro Coso Community College Campus Safety Office staff members are encouraged to try innovative methods in working closely with the college community.

It is the responsibility of each person to contribute to the safety of the entire community by taking action when necessary to prevent crime, particularly crimes of violence by notifying the Cerro Coso Community College Campus Safety Office staff when you see something happen. Campus safety and security is a shared responsibility, which takes a team effort to be effective.

“If you see something, say something.”

Members of the campus community are invited to report concerns to the Cerro Coso Community College Safety and Security Program Manager. Students may also report concerns to the Office Vice President of Student Services.

Campus Safety Office Authority and Jurisdiction

The Cerro Coso Community College Safety and Security Program Manager oversees the Campus Safety program for all of the Cerro Coso campus sites. Cerro Coso Community College employs contracted security personnel to provide additional safety services. The Safety Officers are not sworn police officers. They have been granted administrative authority by the Kern Community College District Board of Trustees and Cerro Coso Community College President to provide safety for persons and property on campus, respond to emergencies, and other related safety needs, as well as enforce campus parking regulations and issue parking citations. If a student commits a minor offense/s involving District/College rules and regulations, the Campus Safety Office may refer the student to the Vice President of Student Services for disciplinary action.

In some cases, Cerro Coso Community College Safety Officers have the authority under the laws of Citizens Arrest, CA Penal Code 837, to make arrests for certain public offenses to maintain a safe and secure learning environment on campus. If an arrest is made, the local law-enforcement agency where the campus is located will be notified to respond.

All criminal offenses such as murder, rape, assault, robbery and auto theft are reported to the local law enforcement agencies and the jurisdictional law enforcement agency shall be deployed to solve these serious felony crimes. The prosecution of all criminal offenses, both felony and misdemeanor, are conducted by the District Attorney through the Superior Court of the county of jurisdiction.

The safety and security staff's jurisdiction extends to the boundaries of college owned and operated property. Any crime that occurs outside the boundaries of the college should be reported immediately to the appropriate law enforcement authorities or 9-1-1.

Crime Statistics Reporting Policies and Procedures

The Cerro Coso Community College Campus Safety Office is responsible for gathering statistics for criminal activity on and near campus, identifying reportable crimes and delivering reports of this data annually. The Clery Act requires these reports be disseminated to the U.S. Department of Education and delivered to members of the campus community.

Statistics that have been compiled are reported in different formats and categories depending upon legal requirements of each report. The Jeanne Clery Act requires its statistics to be reported from a wide geographic

area including property adjacent to the campus that may be public property. The Clery Act also requires reports of student disciplinary referrals in addition to arrests for drug, alcohol and weapons offenses. These offenses are considered “Clery-Reportable.” Even though these statistics are not reportable per local, state, or federal law enforcement guidelines, they are Clery-reportable and will be included in this report.

The Cerro Coso Community College Campus Safety Office staff begins in January of each year to collect crime statistics from the previous calendar year by submitting written requests to various reporting entities. When criminal activity occurs outside of the jurisdiction of the Cerro Coso Community College Campus Safety Office staff, a local law enforcement agency follows its own procedures to create a police report for each incident. Upon the request of the Cerro Coso Community College Campus Safety Office staff, the outside agency may then submit its statistics to the campus. The outside agency is not mandated to provide statistics and will sometimes fail or decline to do so. When this data is received, it is reviewed to ensure that there are no duplications in reporting efforts between the Cerro Coso Community College Campus Safety Office and the outside reporting agency. Although every effort is made to avoid duplication of reports received from campus security authorities and other police agencies, an individual incident may be reported to campus and the outside agency, and thus counted as a statistic more than once.

When a crime is reported, individual reports may be forwarded to other department and/or agencies for follow up. In some cases involving lesser offenses, the report will be forwarded to the Office of Student Services for adjudication through the campus's disciplinary referral process. These types of incidents that are Clery reportable are listed as Disciplinary Referrals in the Crime Statistics section of this report.

For further inquiries or comments please contact the Cerro Coso Community College Safety and Security Program Manager at (760)384-6367 or cc_saftey@listserv.cerrocoso.edu

Security Awareness Programs

A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others.

Training Programs

Cerro Coso Community College offers many safety awareness and prevention programs designed to inform the campus community about safety and security policies and procedures. Information is also disseminated to students and employees through videos, press releases, as well as articles and via social media. In 2016, Cerro Coso Community College, in conjunction with the Kern Community College District, implemented a web-based training program with safety courses available to all employees. Additionally, Cerro Coso Community College provided Behavioral Intervention Team (BIT) training and initiated a Behavioral Intervention Team to help prevent and reduce incidents of disruptive and dangerous behavior on campus.

As a part of the awareness program, Cerro Coso Community College partners with the Clery Center for Security on Campus to participate in the National Campus Safety Awareness Campaign. The college is currently modifying the on-campus training program for new students and new employees to promote prevention and awareness of rape, acquaintance rape, domestic violence, dating violence, sexual assault, and stalking. You can also find more safety information in the Kern Community College District Campus Safety Handbook at https://www.kccd.edu/sites/kccd.edu/files/page/Campus_Safety.pdf

Crime Prevention Tips

Personal Safety

The most effective deterrence against crime is common sense, alertness and a few basic precautions.

- Pay attention to your surroundings and beyond. Look up and look around!
- If working late, arrange to leave with a co-worker or call the Cerro Coso Community College the Campus Safety Office staff for an escort. On the Ridgecrest Campus call (760)677-9123 for an escort.; at the Kern River Valley Campus, call (949)375-4686 for an escort; at the East Kern Tehachapi Campus, call (760)338-8502
- Lock doors and windows if working alone late.
- Refrain from getting in elevators with people who look out of place or behave in a strange or threatening way.
- If being followed, go to an office where there are other people.
- When walking to a vehicle or home from work, vary the route.
- Be alert to any suspicious persons or vehicles.
- Carry a fully charged cell phone with emergency numbers pre-programmed into the device.
- Remember, always immediately report suspicious people or conditions to the Campus Safety Office staff.

Office Security

Protection of property begins with the willingness to take a few simple steps:

- Never leave purses, wallets, or other valuables unattended
- Never leave keys lying around
- Cash left in plain sight on a desk or in an unlocked drawer is a great temptation to thieves.
- Request authorization from persons asking for confidential information or from delivery or repair people who want to enter an area restricted to employees.

Key Control

- Those responsible for office keys should not leave them unattended, in plain sight on a desk, or in an unlocked top drawer where they could easily be taken or copied.
- Give keys only to those who are authorized and have a legitimate need and make sure they are returned.
- If keys are lost or stolen notify the Cerro Coso Community College Campus Safety Office staff and

the Maintenance and Operations Department immediately.

Property Protection

Theft is always a concern on campus, to reduce the risk of being victimized:

- Engrave personal property, such as electronic or sporting equipment, with your initials or other identifying marks.
- Keep a written record of all personal valuables, including descriptions and serial numbers. It is evidence that the property belongs to the rightful owner.

Bicycle Theft

- Never leave a bicycle unlocked. It only takes a moment to steal an unlocked bicycle.
- U-lock style locks are best. Cables and padlocks can be easily cut.
- Lock the bicycle frame to a bike rack. Front wheels can be easily removed.

Parking Lot Safety

- Lock vehicles at all times. You should always roll your windows completely up so your vehicle is secure.
- When returning to a vehicle, have the keys out while approaching.
- Check the interior before entering.
- If suspicious persons are lurking in the parking lot, notify the Campus Safety Office staff immediately.
- Remove all valuables from vehicles. Leave them at home or lock them in the trunk.
- If working late, ask a co-worker for an escort to the parking lot or call the Campus Safety Office staff for an escort. On the Ridgecrest Campus call (760)677-9123 for an escort.; at the Kern River Valley Campus, call (949)375-4686 for an escort; at the East Kern Tehachapi Campus, call (760)338-8502

Being an Active Bystander

Bystanders play a critical role in the prevention of sexual and relationship violence. Bystanders are “individuals who observe violence or witness the conditions that perpetuate violence. These individuals are not directly involved but have the choice to intervene, speak up, or do something about it.”¹ The College promotes a culture of community accountability where bystanders are actively engaged in the prevention of violence without causing further harm. Individuals may not always know what to do even if they want to help. Below is a list of some ways to be an active bystander. If you or someone else is in immediate danger, dial 9-1-1, if a person is yelling at or being physically abusive towards another and it is not safe for you to interrupt.

- Watch out for your friends and fellow students/employees. If you see someone who looks like he or she could be in trouble or need help, ask if he or she is ok.
- Confront people who seclude, hit on, attempt to make out with, or have sex with people who are incapacitated.

- Speak up when someone discusses plans to take sexual advantage of another person.
- Believe someone who discloses sexual assault, abusive behavior, or experience with stalking
- Refer people to on or off campus resources listed in this policy for support in health, counseling, or with legal assistance.

In a Threatening Situation

- The best defense is avoidance and following instincts.
- Decide what to do in various situations before they occur. Try role-playing with a friend.
- If confronted by someone who only wants property, give it to them.
- Try to get an accurate description of the assailant. If a vehicle is involved, get the license number and call the Campus Safety Office staff or dial 9-1-1.

Incident Reporting

- Report all crimes, no matter how minor they may seem. Notify the Cerro Coso Community College Campus Safety Office staff of all suspicious persons or activity.
- If suspicious people or activity is observed, notify the Cerro Coso Community College Campus Safety Office staff immediately.
- Post 9-1-1 (the local police, fire, ambulance emergency number) and the Cerro Coso Community College Campus Safety Office staff phone numbers near the phone.
- Report any broken or flickering lights, dimly lit corridors, doors that don't lock properly, etc. to the Cerro Coso Community College Campus Safety Office staff and the Maintenance and Operations Department. Don't think that someone already has because they may not have.

Campus Safety

When crimes occur on campus, the Cerro Coso Community College Safety and Security Program Manager wants the campus community to be well informed. The goal is to keep students, faculty, staff and the campus community aware so that precautions can be taken to avoid becoming a victim of a crime.

Safety Tips:

- Stay alert and plan ahead for “What if...”
- Always be aware of surroundings and avoid any situations that are uncomfortable.
- Use the “buddy system” while out and about. There really is “strength in numbers.”
- If possible, do not walk or jog alone after dark.
- If going out alone, let someone know where and a return time.
- If suspicious activity is witnessed, call the Campus Safety Office staff at (760)677-9123 or 9-1-1.
- If walking at night, remember the following:
 1. Always carry a fully charged cell phone, with emergency numbers pre-programmed.
 2. Do not wear head phones while walking or jogging.
 3. Avoid isolated or dark areas.
 4. Walk near curbs, away from alleys and doorways.
 5. Walk at a brisk pace; be aware of anyone walking behind or nearby.
- If threatened, attract attention by making loud noises or by screaming. Use of an LED flashlight or a whistle can also attract attention.

To help ensure compliance with Cerro Coso Community College's obligations under Title IX, as clarified by the Department of Education, Campus Security Authorities (CSA's) are required to notify any College student or staff member who is a victim of sexual assault by another College student or employee of their right to file a Title IX sex discrimination complaint with the College. Sexual assault constitutes an extreme form of sexual harassment which is prohibited by and actionable under Cerro Coso Community College policy. Criminal Activity – Any crime, no matter how small, is important to the Campus Safety Office. The Safety and Security Program Manager encourages all campus community members to promptly report crimes, which assist in the investigation and the apprehension of the suspect(s), aids in providing timely warning notices to the community when appropriate, may aid in the prevention of similar crimes, and ensures inclusion in annual crime statistics.

Crime Awareness – The Campus Safety Office staff maintains a daily campus crime log, which is available in the Safety and Security Program Manager's office for public viewing during normal business hours. In the event of an ongoing threat to the safety of the Cerro Coso Community College community, a CC Alert will be sent out notifying the community via email, voicemail, and text.

Campus Security Authorities (CSA)

What is a CSA? While Cerro Coso Community College strongly encourages community members to report promptly all crimes directly to the Campus Safety Office staff by calling (760)384-6367 or any emergencies by dialing 9-1-1. Cerro Coso Community College also recognizes that some may prefer to report to other individuals or college offices. The Clery Act recognizes certain college officials and offices as “campus security authorities” (CSAs). The Act defines such an individual as an:

- Cerro Coso Community College Campus Safety Officer
- Official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student discipline and campus judicial proceedings. An official is defined as any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution.
- Any individual or organization specified in a statement of the College’s security policies as a place to report criminal offenses.

What do CSA’s do? The function of a campus security authority is to report to the official or office designated by the college to collect crime information, such as the Campus Safety Office, those allegations of Clery Act crimes that he or she concludes were made in good faith.

What shouldn’t a CSA do? A campus security authority is not responsible for determining authoritatively whether a crime took place; that is the function of the Campus Safety Office. A campus security authority should not try to apprehend the alleged suspect of the crime. That too is the responsibility of the Campus Safety Office. It’s also not a CSA’s responsibility to try to convince a victim to contact law enforcement if the victim chooses not to do so. The victim has the right to decline to report any crime.

While there are numerous CSA’s at Cerro Coso Community College, the institution officially designates the following offices as places where the college community should report crimes or policy violations (This is not an inclusive list.) For additional information regarding Campus Security Authorities “CSA” please visit the Clery Center website link at <https://clerycenter.org/wp-content/uploads/2017/01/handbook-2.pdf> .

Confidential Reporting Procedures

As a result of the negotiated rulemaking process, which followed the signing into law, the 1998 amendments to 20 U.S.C. Section 1092 (f), clarification was given to those considered to be campus security authorities. Campus "Pastoral Counselors" and Campus "Professional Counselors," when acting as such are not considered to be a campus security authority and are not required to report crimes for inclusion into the annual disclosure of crime statistics. As a matter of policy, they are encouraged; if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion into the annual crime statistics.

The rulemaking committee defines counselors as:

- **Pastoral Counselor** – A person who is associated with a religious order or denomination, is

recognized by that religious order or denomination as someone who provides confidential counseling, and is functioning within the scope of that recognition as a pastoral counselor.

- **Professional Counselor** – A person whose official responsibilities include providing mental health counseling to members of the institution's community and who is functioning within the scope of the counselor's license or certification.

Other persons who have significant responsibility for campus and student activities and counsel or advice students and employees are not exempt from reporting, even if the counseling is confidential.

Voluntary Confidential Reporting

A victim of a crime, who does not want to pursue action within the criminal justice system or through Cerro Coso Community College, may still consider making a confidential report. The purpose of a confidential report is to comply with a victim's wish to keep the matter confidential, while taking steps to ensure the future safety of those involved and others. With such information, the College can keep accurate records of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the institution.

You can call the Cerro Coso Community College Safety and Security Manager anonymously and confidentially report security and safety related concerns and to provide "tips" about criminal incidents or suspicious behavior on campus. Victims also have the right to decline to report any crime.

Off Campus Criminal Activity

The Ridgecrest Police Department has primary jurisdiction in all areas off the main Cerro Coso Community College campus within city limits. The Vice President of Student Services and the Cerro Coso Community College Campus Safety Office staff members enjoy a close working relationship utilizing a cooperative team approach with the local law enforcement when violations of local, state or federal laws occur.

All Other Campuses – Criminal incidents occurring to Cerro Coso Community College facilities and property or to Cerro Coso Community College faculty, staff or students at off-campus locations shall be reported to the local law enforcement agency where the crime occurs. Timely Warnings

According to the Department of Education, in order to keep the campus community informed about safety and security issues on an ongoing basis, an institution must alert the campus community of certain crimes in a manner that is timely and will aid in the prevention of similar crimes.

In the event a situation arises, either on or near the Cerro Coso Community College campus, that, in the judgment of the Cerro Coso Community College Safety and Security Program Manager, Cerro Coso Community College Public Information Officer or a designee, constitutes a serious or continuing threat to students and employees, a campus wide timely warning will be issued as soon as pertinent information is available.

The Cerro Coso Community College Safety and Security Program Manager, Cerro Coso Community College Public Information Officer or a designee will develop timely warning notices to notify members of the College community about serious crimes that occur on or near campus, when it is determined that the incident may pose an ongoing threat to members of the College community. Timely warning notices are usually distributed for Clery reportable crimes: Criminal Homicide, Sexual Assault, Robbery, Aggravated

Assault, Burglary, Motor Vehicle Theft, Arson, Hate Crimes, Domestic Violence, Dating Violence and Stalking. Timely warning notices may be distributed for any emergency situation that may cause a threat to the health and safety of the campus community, such as a bomb threat, an active shooter on campus, or a riot. The list above is not inclusive and warnings may be issued for any serious or continuing threat to person, property or campus safety. Each incident is considered on a case-by-case basis, depending on the facts of the case and the information known by the Cerro Coso Community College Campus Safety Office. For example, if an assault occurs between two known students who have a disagreement, there may be no ongoing threat to other campus community members and in this case, a timely warning notice would not be distributed.

The Cerro Coso Community College Safety and Security Program Manager, in collaboration with the Cerro Coso Community College Public Information Officer will be jointly responsible for determining when a timely warning needs to be disseminated to the campus community.

Once a threat is confirmed, the Cerro Coso Community College Safety and Security Program Manager and the Public Information Officer will, without delay and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of first responders (e.g. the Cerro Coso Community College Campus Safety Office staff, local Law Enforcement and/or the local Fire Department), compromise efforts to assist a victim or to contain, respond to or otherwise mitigate the situation.

Timely warnings are typically written by the Cerro Coso Community College Public Information Officer and reviewed by the Cerro Coso Community College Safety and Security Program Manager. A CC ALERT will be activated to phone, text and email to Cerro Coso Community College students and employees informing them of the situation.

As additional facts become available, timely warning follow-up information may be disseminated via CC ALERT, the Cerro Coso Community College website, Twitter, Facebook and via the local media. If you have pertinent information regarding the event, please call the Cerro Coso Community College Campus Safety Office and provide the information. If you do not have important information to provide the Cerro Coso Community College Campus Safety Office about the event, do not call the Cerro Coso Community College Campus Safety Office staff to ask questions about the ongoing event due to they will be busy working to resolve the situation.

Emergency Response and Evacuation Policy

Cerro Coso Community College uses the Blackboard® Emergency Notification System (CC Alert) that allows for the use of text messaging, emails and phone calls to notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or staff. These alerts are

Emergency Response – An emergency is an event, expected or unexpected, that poses an immediate threat to the health and safety of students, faculty and staff. College faculty, staff, and students are instructed through both the emergency procedures flipchart and website to call 9-1-1 or the Cerro Coso Community College Safety and Security Program Manager at (760)384-6367 to report life threatening emergencies and for other emergency assistance.

Confirmation of an emergency is determined when an Incident Commander (per the College's Emergency Operations Plan), Campus Safety Officer, fire official or local law enforcement agencies have assessed the situation to confirm that there is an emergency. That confirmation will be communicated to at least one of the following: The Cerro Coso Community College Safety and Security Program Manager or a member of the Cerro Coso Community College Management.

The Cerro Coso Community College Emergency Operations Plan (EOP) is designed to provide Cerro Coso

Community College with a management tool to facilitate a timely, effective, efficient, and coordinated emergency response. The EOP will establish a Campus Incident Command Center that utilizes the National Incident Management System (NIMS) Incident Command System (ICS) for managing response to emergencies and disaster events and is intended to be fully NIMS compliant.

Emergency Communication Systems – The College uses the CC Alert System to immediately notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the campus.

Communication with the Larger Community – One of the following methods will be used to disseminate emergency information to the larger community:

- Cerro Coso Community College homepage www.cerrocoso.edu
- Local emergency response agencies, local media, Twitter, Facebook

Emergency and Evacuation Procedures – The college publicizes general emergency response and evacuation procedures to the broad campus community through emergency procedures flipcharts. The emergency flipchart includes information on how to respond to various different hazards/threats and also includes general information about evacuation. Additionally, evacuation maps are posted in every campus building and classroom. Fire evacuation drills occur for all college buildings during the fall and spring semesters.

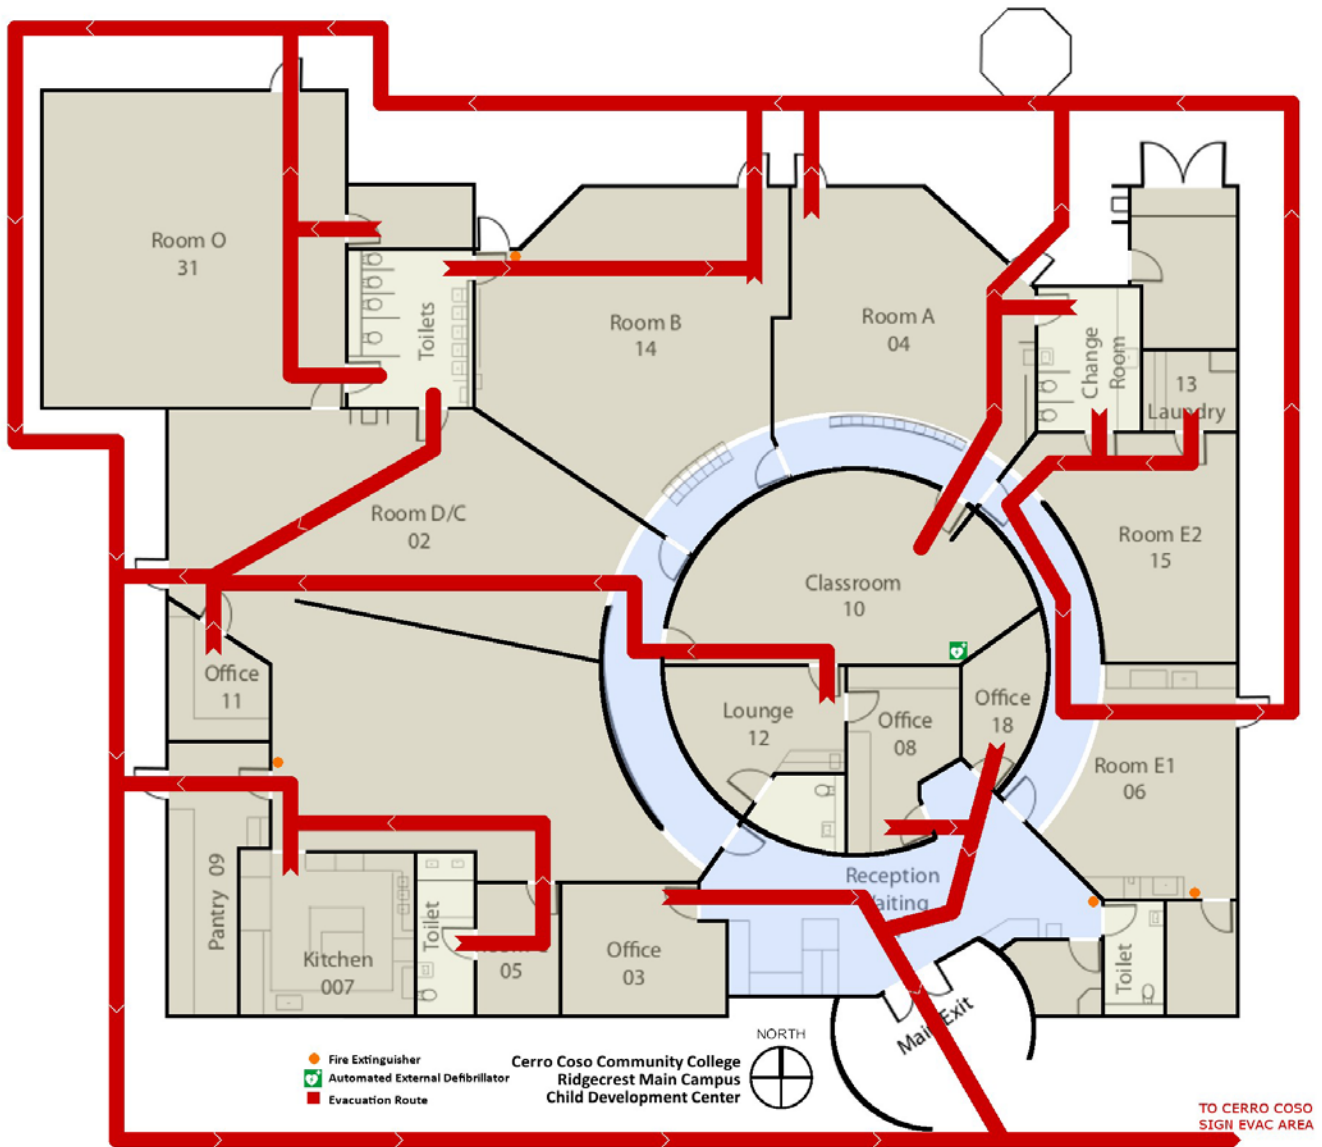

The information in the Emergency Procedures Flipchart is written for use by all [name of your city] College facilities including those distant from the [name of your city] College main campus. The telephone numbers listed in the flipchart, with the exception of 9-1-1, are telephone numbers for resources located to their specific location. The posters and flipcharts are distributed to the community via the Cerro Coso Community College Campus Safety Office and the information contained on the flipchart is added by the Dean of the area it is located in. Evacuation information is provided for emergency evacuation, non-emergency evacuation, and shelter in place situations.

Emergency Notification System Test – The College's emergency notification system CC ALERT is tested at the beginning of the fall and spring semesters.

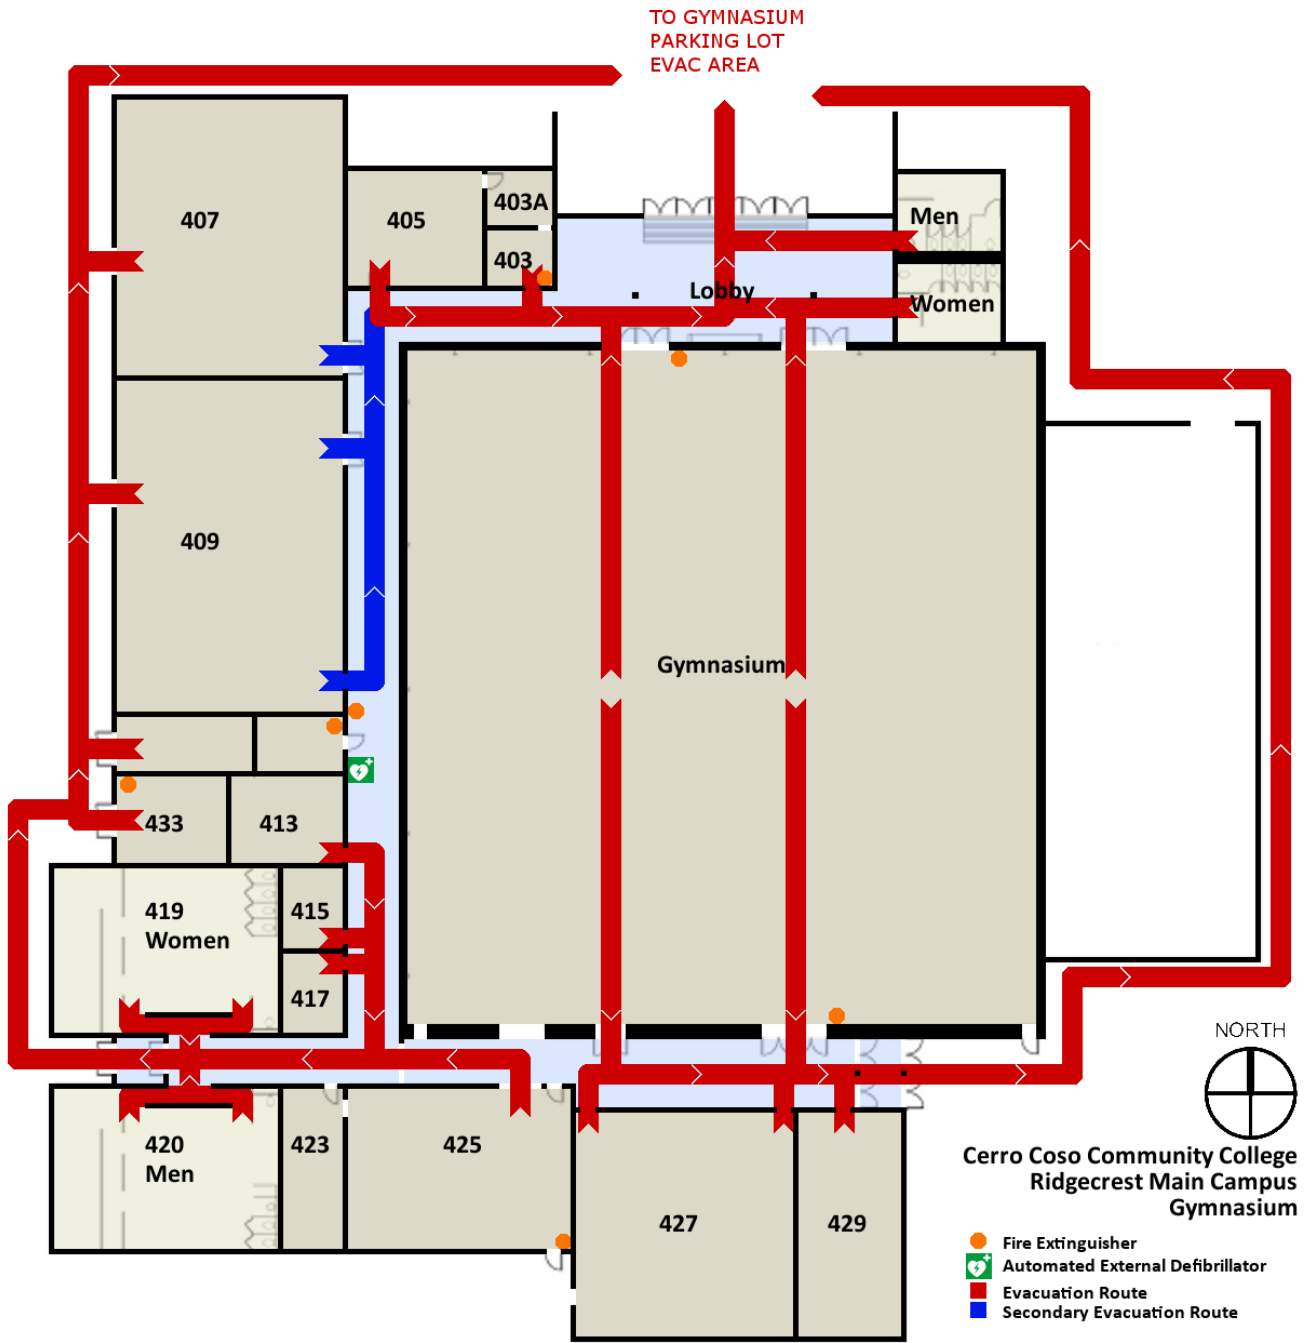

General Evacuation Maps

Evacuation maps are unavailable for the East Kern Campuses.

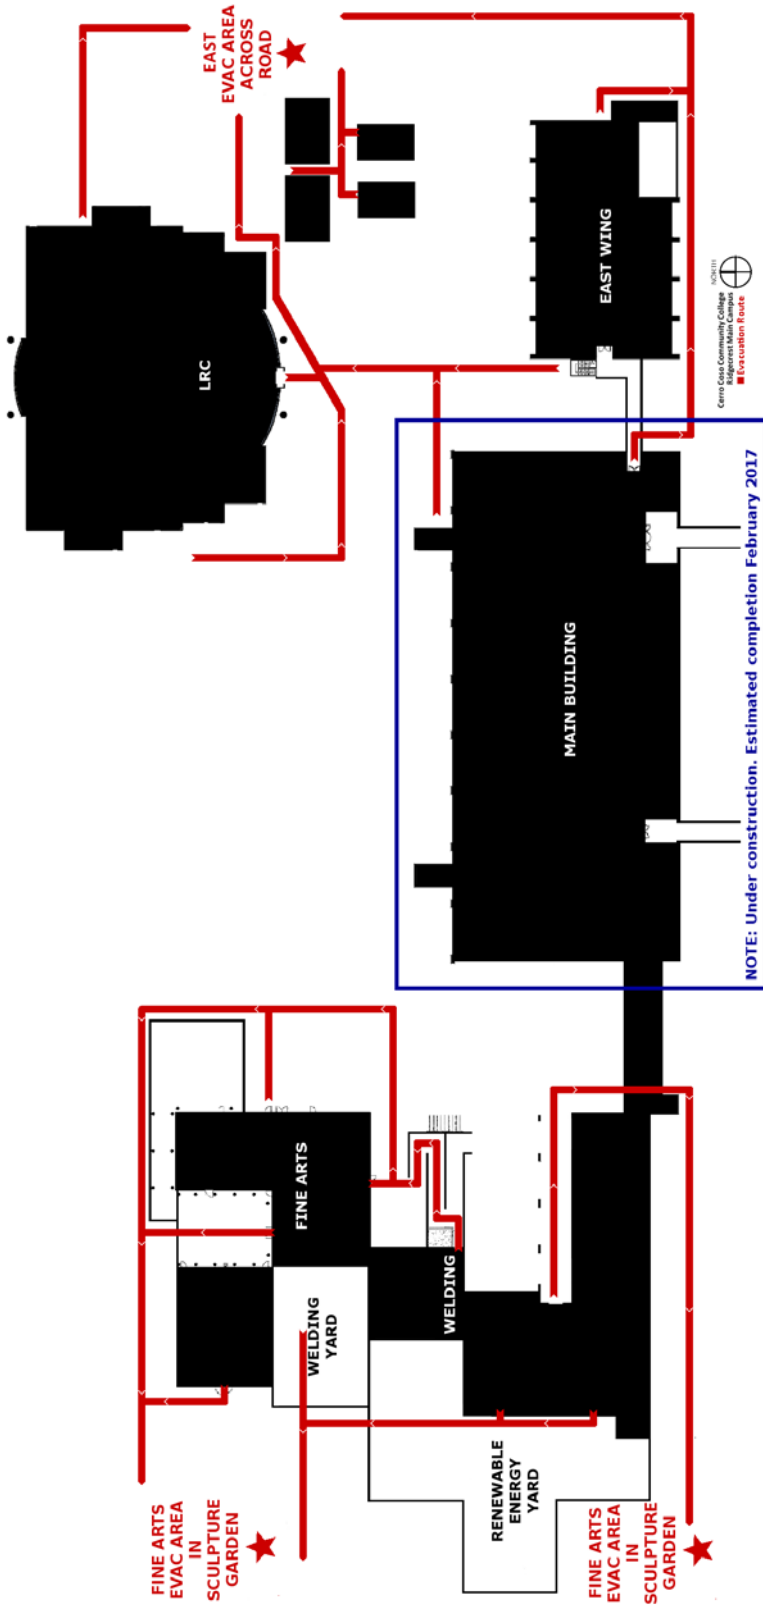

Please adhere to the evacuations routes detailed for the individual East Kern facilities as Cerro Coso Community College does not have control of the entire campus site and the locations of the courses offered may vary.”

The College conducts ongoing prevention, awareness and training programs for employees and students to facilitate the goals of this policy.

It is the responsibility of every member of the College community to foster an environment free from Prohibited Conduct. All members of the College community are encouraged to take reasonable and prudent actions to prevent or stop an act of Prohibited Conduct. The College will support and assist community members who take such actions.

Conduct included under this policy is prohibited regardless of the sex, sexual orientation and/or gender identity/expression of the complainant or respondent. Prohibited Conduct includes the following specifically defined forms of behavior: Sexual Assault, Sexual Exploitation, Intimate Partner Violence, Stalking, Sexual or Gender-Based Harassment, Complicity and Retaliation.

Information shall include the status of any student or employee disciplinary proceedings or appeal; alleged victims of domestic violence, dating violence, sexual assault, or stalking are required to maintain any such information in confidence, unless the alleged assailant has waived rights to confidentiality.

A complainant or witness who participates in an investigation of sexual assault, domestic violence, dating violence, or stalking will not be subject to disciplinary sanctions for a violation of the District's student conduct policy at or near the time of the incident, unless the District determines that the violation was egregious, including but not limited to, an action that places the health or safety of any other person at risk or involves plagiarism, cheating, or academic honesty.

In the evaluation of complaints in any disciplinary process, it shall not be a valid excuse to alleged lack of affirmative consent that the accused believed that the complainant consented to the sexual activity under either of the following circumstances:

- The accused did not take reasonable steps, in the circumstances known to the accused at the time, to ascertain whether the complainant affirmatively consented.

In the evaluation of complaints in the disciplinary process, it shall not be a valid excuse that the accused believed that the complainant affirmatively consented to the sexual activity if the accused knew or reasonably should have known that the complainant was unable to consent to the sexual activity under any of the following circumstances:

The survivor of a sexual assault has the option to, or not to, notify and seek assistance from law enforcement and campus authorities. If the incident occurred off campus call 9-1-1, or call the local law enforcement agency, as determined by the area of jurisdiction.
- Seek out institutional personnel who are available to assist with the process of notifying authorities. When a sexual assault is committed, the first concern is the safety and wellbeing of the survivor. The college recognizes the sensitive nature of these crimes and respects the privacy and choice of the individual.
- After an alleged sexual assault, Cerro Coso Community College is obligated to comply with the survivor's request for an academic situation change. College staff members can work with campus and community partners to arrange appropriate academic changes, counseling services, employee assistance programs and support from the victims' assistance program at the district attorney's office.

This includes having an environment free from sexual and gender-based harassment, sexual assault, intimate partner violence, stalking, sexual exploitation, complicity and retaliation ("Prohibited Conduct"). The College will take prompt and equitable action to eliminate Prohibited Conduct, prevent its recurrence, and remedy its effects. As part of the Student Code of Conduct adjudication process, the victim and the accused student are entitled to have others present during a campus disciplinary proceeding. Additional information concerning the student conduct process can be obtained from the Office of the Director of Student Life.

Both the victim and the accused student will be informed of the outcome of the hearing. A student found responsible of violating the Student Code of Conduct may be suspended or expelled from the College. The student conduct process does not preclude the case from being criminally prosecuted in the state courts.

The institution will, upon written request, disclose to the alleged victim of a crime of violence, or a non-forcible sex offense, the results of any disciplinary hearing conducted by the college against the student who is the alleged suspect of the crime or offense. If the alleged victim is deceased as a result of the crime or offense, the institution will provide the results of the disciplinary hearing to the victim's next of kin. The college uses the preponderance of evidence standard in disciplinary proceedings.

Sex Offender Registration Information

The Campus Sex Crimes Prevention Act (Section 1601 of Public Law 106-386), a federal law enacted on October 28, 2000, provides for the tracking of convicted, registered sex offenders enrolled as students at institutions of higher education or working or volunteering on campus. The act amends the Jacob Wetterling Crimes against Children and Sexually Violent Offender Registration Act to require sex offenders already required to register in a state to provide notice, as required under state law, of each institution of higher education in that state at which the person is employed, carries on a vocation, or is a student. It requires that state procedures ensure this registration information is promptly made available to law enforcement agencies with jurisdiction where the institutions are located and that it is entered into appropriate state records or data systems.

These changes took effect October 28, 2002. The act also amends the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act to require institutions of higher education to issue a statement, in addition to other disclosures required under that act, to advise the campus community where to obtain law enforcement agency information provided by a state concerning registered sex offenders. These changes took effect October 28, 2002 and this notice has been a requirement beginning with the annual security report due October 1, 2003.

Megan's Law

In 1994, seven year old Megan Kanka was tricked into Jesse Timmendequas' house in Hamilton Township, New Jersey. Jesse Timmendequas, the neighbor, was a convicted sex offender with two prior convictions for sexual abuse of a child, but no one in the neighborhood knew that. Once Megan was inside, Timmendequas raped and murdered her. Eventually, Timmendequas was convicted for the murder of Megan Kanka.

Following Megan's death, a grass roots movement led to the removal of the prohibition of law enforcement notifying the public of the presence of serious and high-risk sex offenders living in their community. On May

17, 1996, President Clinton signed the Federal "Megan's Law". This law permitted law enforcement to release relevant information to protect the public from sexually violent offenders.

For the past fifty plus years, California has maintained a record of those individuals convicted of sexually related crimes. In 1995, California instituted the Child Molester Identification Line, which was expanded in 1996 with the passage of California's Megan's Law. This law allows for the first time public access to information on serious and high-risk sex offenders.

In California, sexual offenders are classified by the Department of Justice into one of three sexual offender categories, High Risk, Serious, or Other. The criteria for each of the categories are defined in the California Penal Code.

In summation, a High-Risk registrant is a serious sex offender who has been convicted of a combination of offenses including a violent sex offense and other crimes. High-Risk status must be determined and verified by the Department of Justice. Generally, these "High-Risk" sex registrants pose a greater threat of re-offending based on their prior criminal acts.

A Serious Sex Offender is required to register with law enforcement if they have been convicted of:

- Assault with intent to commit specified sex offenses
- Rape
- Sodomy
- Lewd and lascivious conduct with a child or dependent adult
- Oral copulation
- Continuous sexual abuse of a child
- Foreign object penetration
- Child molestation
- Kidnapping with intent to commit specified sex offenses
- Felony sexual battery
- Felony enticement of a child for purposes of prostitution
- Abduction of a child for purposes of prostitution

The other sexual offender categories consist of persons convicted of possession of child pornography, spousal rape, indecent exposure, or misdemeanor sexual battery - OR - juveniles adjudicated in juvenile court. Persons falling within the other category are NOT subject to public disclosure.

The law is not intended to punish the offender and specifically prohibits using the information to harass or commit any crime against the offender. It recognizes that public safety is best served when registered sex offenders are not concealing their location.

It is imperative that pro-active efforts are taken by each citizen to educate and protect themselves and loved ones against crime. The Attorney General now provides the public with Internet access to detailed information on registered sex offenders.

This expanded access allows the public for the first time to use their personal computers to view information on sex offenders required to register with local law enforcement under California's Megan's Law.

The Campus Safety Office encourages all Staff and Students to educate themselves on registered sex offenders in their area. Please visit the California Department of Justice listing at <http://www.meganslaw.ca.gov/>

Cerro Coso Community College is concerned about the intellectual, physical and psychological well-being of all students and employees. Cerro Coso Community College is fundamentally opposed to the use of illegal drugs and the abuse of alcohol and other harmful substances. It is the policy of Cerro Coso Community College to proactively prevent students and employees from injuring themselves through the use and abuse of drugs and alcohol and the college seeks to engage the members of its academic community in the fight to prevent drug and alcohol abuse.

Cerro Coso Community College Drug and Alcohol Policy for Employees – For faculty and staff at the College, Human Resources publish a drug and alcohol policy statement establishing Cerro Coso Community College as a drug-free workplace. A portion of the policy clarifies this as a condition of employment. In addition, Cerro Coso Community College employees receive a written copy of this policy statement. Faculty and staff at Cerro Coso Community College must abide by the Cerro Coso Community College drug and alcohol policy and state and federal drug and alcohol laws.

Drug-Free Workplace

The Kern Community College District is committed to the development and maintenance of a drug-free environment in accordance with the Drug-Free Schools and Communities Act (DFSCA). Accordingly, the District will not tolerate any unlawful activity such as the possession, use, manufacture, distribution and/or dispensation of a controlled substance on District owned or controlled property.

Other mind-altering chemicals, materials or substances. Intoxicating beverages.

A description of the health risks associated with the use of these controlled substances shall be posted on all bulletin boards at the three (3) Colleges and the District Office.

Violation of this prohibition by employees may result in disciplinary action, up to and including dismissal. In addition, violation may constitute an infraction of the California Education Code and other State laws and may result in immediate suspension without pay in the event criminal charges are filed. As a condition of being employed to work under any federal grant received by this District, employees are required to abide by the terms of this statement. These employees are further required to notify the Campus or District Human Resources Office of any conviction for a criminal drug statute violation occurring in the workplace within five (5) days after such conviction.

In accordance with the District's focus on wellness, the District expects employees to cooperate with supervisors in remedying performance problems associated with drug and alcohol use and to encourage other employees and students to seek help with drug and alcohol problems.

Employees with a substance abuse problem may receive assistance through the District Employee Assistance Program. This service is part of the health care program provided by the Kern Community College District.

In order to encourage a drug-free work force, the Kern Community College District requires that, as a condition of employment, all individuals to fill positions in the following areas take a drug screen test as part of their pre-employment physical examination.

- Child Care

- Custodial

The drug screen will be provided at District expense. Any employee candidate testing positive for drugs will not be hired by the Kern Community College District.

Procedure of this Manual, to help prevent accidents and injuries resulting from misuse of alcohol or use of controlled substances by District employees who drive commercial motor vehicles. The District requires the following alcohol and controlled substance testing for drivers and applicants. Pursuant to Federal Code of regulations Part 382, Department of Transportation, the Kern Community College District has established policies to comply herewith.

- Pre-employment
- Random
- Reasonable suspicion

No driver found to have an alcohol concentration of .02 or higher or who tests positive for controlled substances shall be allowed to perform safety sensitive functions and may not be allowed to continue employment with the Kern Community College District.

Drug and Alcohol Policy for All Students – Students attending Cerro Coso Community College must abide by the Student Code of Conduct, published by the Office of the Director of Student Life. Cerro Coso Community College distinguishes its student disciplinary policies from the laws and functions of the larger society. Students, however, are by no means insulated from the law or relieved of the responsibilities of citizenship. Students must also abide by the Cerro Coso Community College drug and alcohol policy and state and federal drug and alcohol laws.

When a student violates the Student Code of Conduct, the college may initiate disciplinary action, referral for civil prosecution, or both in response to violations of the Code. College sanctions are imposed against any student or student organization found in violation. Disciplinary sanctions may include probation, loss of privileges and suspension or expulsion.

Student Code of Conduct Drug and Alcohol Policy: Prohibited Conduct – By enrolling in Cerro Coso Community College, students agree to be responsible members of the College community, obey the law, comply with the published rules and regulations of the college, respect the rights, privileges and property of the other members of the College community, and not interfere with legitimate College affairs. Students should be aware that the rules on student misconduct do not only apply when on campus or in class. Rather, students can be found to have engaged in misconduct:

- When on campus
- When in a college operated facility
- When off campus, when acting as a student employee or represented of the College
- When participating in College related field trips, club activities, conferences or other College sponsored events. This includes all hours of the day or night while the student is under the supervision

of the College

A student may be disciplined for good cause and in accordance with the disciplinary procedures set forth in this handbook. Good cause includes, but is not limited to the offenses outlined in board policy. Discipline can include receiving a warning, censure, probation, restitution, temporary removal, suspension or expulsion. - **Liquor Law Violation:** The violation of state or local laws or ordinances prohibiting the manufacture, sale, purchase, transportation, possession, or use of alcoholic beverages, not including driving under the influence and drunkenness. - **Referred for Disciplinary Action:** The referral of any person to any official who initiates a disciplinary action of which a record is kept and which may result in the imposition of a sanction.

Reported crimes may involve individuals not associated with Cerro Coso Community College.

The Department of Education allows for presenting hate crime information either in a tabular or in a narrative or descriptive format. In prior years, Cerro Coso Community College provided this information in tabular format. This year, Cerro Coso Community College has elected to list hate crime statistics in a descriptive format directly below the crime statistics table for each campus.

The below listed statistics may differ from previous publications of this data from year to year. These

differences may be due to revised reporting requirements and updates to the Higher Education Opportunity Act and the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. These differences may be noted below each table.

Under the very limited circumstances, Cerro Coso Community College is required to clarify and identify any reports the college has withheld from the crime statistics section when they were deemed to be “Unfounded” by the local law enforcement agencies. No reports were deemed “Unfounded” during this reporting period.
