THE PRESIDENT'S BRIEF

Staff Engagement Committee Sponsors Valentines Decoration Activity

This week we will engage in our second college-wide activity of the year. However, unlike the Halloween activity, this one will not be judged. Do you feel the love already? Instead, you will be receiving a kit to use to brighten up your work environment and cookies to decorate...and then eat! This said, there is one catch, please take pictures of your cookies and send them in to Jamie by 4pm on Wednesday so that they can be shared at the end of the week in the Cerro Coso Connection. We had also planned to host a "Meet and Greet" this week; however, due to other campus activities, this will be postponed to a later date. I wish you all a Happy Valentine's Day and hope you enjoy both the activity and the sweets!

Chancellor Burke Visits This Week

Chancellor Tom Burke is making his initial visit to Cerro Coso Community College this week. On Wednesday, he and I will be visiting both ESCC Bishop and Mammoth Lakes with a full schedule of meeting and greeting employees, students, and community leaders at both campuses. On Thursday, he will be on the Ridgecrest/IWV Campus and, due to the community fifth graders visiting on this day and many faculty and staff being engaged with them, Chancellor Burke will be dropping by to witness some of the demonstrations, tour our construction site, and meet with College Council during its regularly scheduled meeting. Unfortunately we will not be able to accommodate additional people in room EW207; however, if you are interested in hearing what he has to share at that time, there is always a CCconfer number that you can call. That number will be posted on the agenda on Tuesday. Please note that there are plans in the works for Chancellor Burke to return and hold an employee forum in the near future. As soon as that date and time is firmed up, it will be communicated.

Mono County Department of Social Services Opens Shelter at Mammoth High School

As stated in an email forwarded from Deanna Campbell, the American Red Cross Los Angeles Region disaster workers have opened a shelter at the Mammoth High School in response to the structural damage occurring to some residences in the Mammoth Lakes area. The shelter supports the immediate needs of those affected, including a safe place to stay, food, water, and access to health services, emotional support, and other recovery resources. Impacted residents are welcome to stop by during the day even if they choose to spend the night elsewhere. If you are in contact with students from that area please spread the news.
