Congratulations on becoming a certified ATB Test Administrator!

An ATB testing site has been established for your institution under the official College Board ATB testing account. Your ATB site number is **004592-211**. Please save/print this email and keep it with your ATB Test Administrator Certificate. You will need to use this site number each time you purchase test units for your ATB testing site.

You will receive your Proctor and Reporter login credentials in separate emails.

As a Certified ATB Test Administrator please remember that

- all ATB testing must be done on the official ACCUPLACER ATB testing site using the login credentials that you have been provided for ATB testing
- login credentials should not be shared with anyone
- a certified ATB test Administrator should be present at all times during ATB testing
- when testing a student with a documented disability, the branching profile "ATB Testing with Accommodations" must be used so that information concerning the student's disability and accommodations that were provided can be recorded

Please let me know if you have any questions.
