

2012 Annual Unit Plan 3-yr data (2009-10, 2010-11, 2011-12)

Annual Retention & Success: Side-by-Side Comparison of Distance Ed and Traditional Courses

Report: ODS>CC AUP Aug2012 AUP>DEvTrad_3yr 7/30/2012 rundate

Data for 2011-12 do not include Summer 2012.

Institutional Research: for questions, contact ttuttle@cerrococo.edu

This file was created from a report run July 30, 2012 for the purpose of generating Annual Unit Plan data for Dept Chairs.

The file is organized by Dept, with subjects falling under a given dept on the same sheet.

This file represents the master file of all the data for the college, and tabs for each dept.

The only exception is AUTO, the last classes for which occurred in 2009-10. ADMJ is also under a separate tab due to its size.

Report: "CC AUP Aug2012 AUP"

Tab: "AUP_DEvTrad 3yr"

Retention and Success are calculated using the following definitions:

Retention = $\frac{A,B,C,D,F,I,P/CR,NP/NC}{A,B,C,P/CR,D,F,I,NP/NC,W,DR}$

A,B,C,P/CR,D,F,I,NP/NC,W,DR

Success = $\frac{A,B,C,P/CR}{A,B,C,P/CR,D,F,I,NP/NC,W,DR}$

A,B,C,P/CR,D,F,I,NP/NC,W,DR

Notes: FTES is incomplete until after the 320 processes are run each academic year and Retention/Success are incomplete until after grades are rolled each term. Starting in Summer 2008, DR grades are included in the Retention and Success Rate calculations, generally leading to a higher denominator and a lower rate; DR grades are assigned when a student drops between census day and the last date to drop without receiving a 'W' grade (30% date); DR grades did not exist prior to Summer 2008; Returns only Active Sections College : 'CC'; Active Sections, 3-Yr Trend,

2012 Annual Unit Plan Enroll, FTES, FTEF, Productivity, Retention, Success by Course (2011-12)

Report: ODS>CC AUP Aug2012 AUP>course 7/30/2012 rundate

Data for 2011-12 do not include Summer 2012.

Institutional Research: for questions, contact ttuttle@cerrocoso.edu

This file was created from a report run July 30, 2012 for the purpose of generating Annual Unit Plan data for Dept Chairs.

The file is organized by Subject. This file represents the master file of all the subjects/disciplines at the college. Each chair is given both an excel file and paper copy of this document, a similar version with annual DE v Trad for 3 years and awards.

Report: "CC AUP Aug2012 AUP" Tab: "course"

Retention and Success are calculated using the following definitions:

Retention = A,B,C,D,F,I,P/CR,NP/NC ÷

A,B,C,P/CR,D,F,I,NP/NC,W,DR

Success = A,B,C,P/CR ÷ A,B,C,P/CR,D,F,I,NP/NC,W,DR

Notes: FTES is incomplete until after the 320 processes are run each academic year and Retention/Success are incomplete until after grades are rolled each term. Starting in Summer 2008, DR grades are included in the Retention and Success Rate calculations, generally leading to a higher denominator and a lower rate; DR grades are assigned when a student drops between census day and the last date to drop without receiving a 'W' grade (30% date); DR grades did not exist prior to Summer 2008; Returns only Active Sections

FTES/FTEF=productivity
