V. Discussion Items:

5.1 Creating a ballot for next semester to include the Student Representative fee and the Student Center fee for special elections to be held in February. Robert explained that this fee would only affect the IWV campus students. He explained what the fees were and what they would be used for; as the Student Rep. Fee would be used to help to fund all activities and supplies related to political advocacy for students. This could include Region IX meetings, State Student Senate meetings and General Assemblies and any Political rallies, like the March in March. The Student Center Fee would be used to maintain and preserve the Student Center; it would also be used to make improvements such as furniture and other goods that are needed. He also stated that the ASCC in cooperation with the clubs on the IWV campus needs to push the issue of the vote and recruit people to take part in the voting. He stressed that we need to have 20% of the registered students who were registered at the time of the 30% withdrawal date in October in order for the election results to be valid. The voter turn out last spring rose up 5% from, 2% the previous year to 7% this year, and we need to continue the trend of increased votes. The *special election* will take place for two days only, during the week of February 18th. A motion to create a 1\$ Student Representative Fee and a 1\$ to 5\$ (max) Student Center Fee ballot was **MSC (Russell, Lauren)**.

5.2 Robert explained the details of the Spring Semester rush week and that the sign up forms are available in the student activities office. Robert also reminded everyone that this year's theme was "Dante's Inferno" and the week would be called "*hell week*". The ASCC is going to be putting up a bounce house and charging a minimal fee probably around a dollar and with the ASCC card it would be free. Felicia stated that the student nurses club would be changing over this Friday and that she would pass on the information to the new representative.

5.3. Changing rush week from 5 days to 2 days was an idea that was presented to Robert by members of the student body. Downsizing rush week would start next semester; changing the days to January 30th and 31st. **MSC (Felicia, Lauren)**

5.4 The Student Leadership Conference at Cerro Coso Community College was an idea established by the ASCC to give back to the clubs and participating members. Robert stated that the ASCC would like to present a conference to help and educate the clubs with the vast array of knowledge that the Executive board has been exposed to during our conference trips through out the year. The ASCC has come up with several topics to discuss in min-breakout sessions to include but not limited to:

- Parliamentary Procedure
- Sustainability
- Developing your own leadership style
- Member Retention
- Increasing election turnouts

5.6. The largest event for next semester is going to be our Earth Day Extravaganza. The dates for it are tentatively set at the 3rd week in April to coincide with the world earth day. Robert stated that he was interested in getting the SCA, a desert conservation group to come and speak; this idea was then moved to be an action item for the next meeting **MSC (Anthony, Felicia)**. Robert then opened the floor open to ideas and comments on the event. The general ideas that were established were:

- Incorporating the Art department and a project involving recycled materials.
- Having a car show with hybrids. Possibly getting local dealerships to come up and advertise/showcase the hybrid vehicles that for sale.
- Have a free film screening of “An Inconvenient Truth” or another environmentally based film.
- Have a mini information fair with information on water conservation and xeroscaping.

"Some time in October and November" Jenna: what will happen with the stair case? ", has not been settled." But I know that they will meet September 17, 2008. Agenda for KRV A.S.C.C.
Dec 9, 2010
12:30-1:30

Officers:

President: Marnie J. Linebaugh

Vice President : Mary Gleason

Treasurer: Trenton Jewett

Secretary Angie Del Gado

Advisor: Debra Rundell

Students in Attendance (all need to sign in)

1. Roll (call meeting to order)
2. Approve Minutes
3. Financial Report (balance of B of A account)
4. Progress on food sales, and projects/parties vote on future food sales will set dates and times, amount, type at first meeting in spring. Think about Valentines Day also.
5. Motions for future events, vote for or against.
 - I need a **motion** to participate in the Kernville Parade. I think the entry fee is \$75.00. This is a great opportunity to get representation on the other side of the lake.
 - (If passes) Secretary please post sign asking if anyone would like to help with the float, I will find out what the theme is this week. Leave Marnie's phone number for them to call.
 - A student suggested that ASCC take the remainder of the food we collected and place them into small/medium boxes and let the students have them at the party, or if they know someone who is needy, they can take a box to them. What is left can be given to a local charity
 - Need a **motion** to provide boxed canned food to needy students at the party.
 - Our 2nd annual Holiday Party sponsored by A.S.C.C. is Thursday Dec. 9th We have several students signed up for food, and a few students signed up to decorate/clean up.
 - Please everyone, personally ask students (especially ones you don't normally talk to), or teachers that you see if they are going to the party, tell them it's a potluck, but if they can't bring anything, please come anyway.
 - When they say yes, offer to sign them up for whatever they can bring/do.
6. Update on past events:

- Jenifer Boston won the 1st movie pack for the Wofford Heights Reel Cinema theatre.
- Angie Delgado won the 2nd movie pack for participating in the parade. We did not have to pay for the tickets, they donated them. Secretary, please send or take in personally a thank you letter to Mandy (the owner) and her family when convenient; sometime during the holiday break.
- Men of Worth concert: very small turn out, 16 general admission and 8 students. I will propose to Ridgecrest that next year we will promote them heavily, but having them come to our valley to play, it is not an efficient way to spend ASCC money. Our community just isn't into this. The few that were there loved it, but I went to 35 local businesses and asked if they would like to buy tickets, or donate a ticket to a student, almost everyone is broke.
- The KV shell station did buy 2, and The Healing Clinic bought 2. It was a beautiful evening, and ASCC made \$12 on bake sale items/drinks.
- Today I will be pulling the names of the winners who brought food in for the food drive. We did have one needy student inquiry about the food box, and I gave them a box before Thanksgiving, this was done anonymously.

Officers, is there any other business?

Open Forum students please keep under 3 minutes per item and max. of 5 min. for each subject.

7. Closing (Time)

Because many students only have money on the 1st of the month or when the financial aid checks come in, we would like to offer to the students to open an account with the ASCC they can pay in advance and we will keep track in the computer as well as on paper which student (name and ID number, date, and amount of credit) have credits, this way they can come in and get something (food, snacks, supplies) when ever the ASCC room is open. We do not *give* out credit, they must pre-pay. We will give them a receipt for their "deposit". A vote was taken and all were in favor and none were opposed. *The motion was passed.*

President: Marnie Linebaugh (Present)
Vice President: Mary Gleason (Present)
Treasurer: Trenton Jewett (Present)
Secretary: Angie DelGado (Present)

Meeting called to order at 12:30

ASCC asks for motion to approve minutes. Angie DelGado motions, Mary Gleason seconds.

Financial Report: \$1,929.77
Petty Cash on hand: \$45.00

Marnie calls this meeting to order for all officers to catch up and communicate with each other. She plans on every Monday having a "to do" list for every officer. Some weeks there will be a lot to do, sometimes there won't be much. If by chance the officer who is assigned something cannot do their task then he or she needs to communicate this with Marnie so she can assign it to someone else.

Now Marnie is going to communicate what she expects out of each ASCC officer.

Trenton Jewett: Marnie says that according to the rules of ASCC it is your job to post flyers. After much discussion, however, Mary Gleason (Vice-president) has already taken this job and is more than happy to do it, while splitting it in half with Angie DelGado (secretary). Marnie was not happy with the results of the many Pepsi phone calls. After her calling them several times she passed the job to Mary. Mary needs Trenton to pass on to her the information about Pepsi, and what is going on, which he will do today at the 3:00 p.m.

Mary Gleason: We miss you in the ASCC. We hardly see you. While we know that you are holding many jobs and also have medical issues, you are an essential ASCC member, and we need your participation to keep the club running smoothly. Mary has also volunteered her time to make flyers.

The next flyers that we need are:

- St. Patrick's Day Contest
- Election flyers
- Corn beef and Cabbage lunch flyers

Mary Gleason wants to know what the "moneymakers" that Marnie mentioned in past meetings, are going to be. Marnie says that we'll make the money back in the spring by having sales, such as Corn Beef and Cabbage. She wants us ASCC officers to think about April and some possible moneymakers for this semester.

Angie DelGado: A rule of which we did not know about is for you to sign the minutes after you have typed them. We want to know if you're willing to do the slideshow alongside Kim Word, Angie does not want to be in complete charge of it, but she will supervise, and help Kimberly word in any way she can. She will also contribute photographs to the slideshow taken by ASCC officers. Other than that, keep up the good work.

Regarding the ASCC room, Angie wants to have each officer keep in mind that this is not their personal space, and to keep it clean. We need to represent the students in a nice and clean environment. We are their voices as well as their mentors for this semester.

Open Forum:

Leaving Green, looks like the ASCC may take a part and have a booth at the Living Green like we did last year, this means we need ideas, and promotional items. Marnie Linebaugh will call Anna Sue for promotional items that we can give away at the booth site.

After discussing whether to have Marnie's idea of caterer or Angie and Trenton's, they will each do research on their own selection and will present the information by email, and at the next meeting, to all ASCC officers and advisor Debra Rundell.

Meeting called to end at 1:20 p.m.

We are in the calendar of events in the KV Sun, and we need to run an ad in the courier, and a full spot in the KV Sun. ***Need a motion/vote on no more than \$30 being spent on advertising for the MOW concert. ***Sign up to help, spread the word, Tickets are \$10 General, \$6 for students, \$4 for students with A.S.C.C. card (must show).
- **Movie Tickets**- An officer will be going to the Reel Cinema in WH this week to pick up pair of tickets for giveaway which will be held on Mon. Nov. 19th to students who entered the giveaway in room 10.
- **Canned food drive**-we are accepting donations of non-perishable food items, for every item turned in you will be entered in our monthly giveaway. The prizes are: 1st place is a very large new teddy bear with 2 champagne glasses of peppermints. 2nd is a Christmas coffee cup filled with peppermints, But the real reward is helping out our fellow people/students in a small yet *powerful* way. There is a food collection box located in the ASCC room, and when we are closed the box will be put outside of the room. We need to put up flyers telling students that they can sign up for a food box from the giveaway-confidential of course-I need suggestions on who we should donate the surplus food supply to. There are many food programs out there; I will be calling the senior center and the Baptist church, among others to check on a list etc. Please participate! We

need a flyer advertising the food drive.

- Christmas Parade**-We need volunteers to decorate the float. We will use the black, bisque to cover it while it is in storage. We have Thurs, Nov 11th, Fri, Nov 12th, the 13th I will not be here, but you can still work on it. Sun Nov.15th. I believe that Debra will be gone the following weekend, so we need to finish it, cover it and then relax until the parade. How many people can fit on the float? We should save 1 seat for a disabled student. I will be walking and handing out candy, my son will be walking with a sign that reads future college student. Need suggestions for colors to wear in parade so we will match as a group. I will provide 12 Santa hats to students/staff in the parade, and I have 1 beard/hair and white gloves. We need a Santa suit, or a fire fighters jacket to be donated for 4 hours on Sat. Nov.19, John Linn has volunteered to wear it in the parade. Halloween Party- Forty-two people showed up, we had 60 prizes.

Men of Worth Concert- Unfortunately, three of our officer's—Angie DelGado, Trenton Jewett, Mary Gleason—are not going to be able to be present because on that same night the Geology class will be having a field trip, this also includes two of our student representatives, Lucas Salisbury and Tina Reese. We have two student volunteers Jennifer Boston and Sharon Holdaway.

Marnie Linebaugh proposes we sell hot dogs; ASCC disagrees due to cost, and the shortage of volunteers. We are trying to get an ad in the Kern Valley Sun; however, it has been extremely difficult to get in touch with them.

We need to find an advisor to be present at Men of Worth Concert ASCC advisor Debra Rundell will not be available. ASCC will ask Director Erie Johnson, or Professor Gayle Whitlock to be there. Concert from will take place from 7p.m.-9p.m.

Debra suggested we each wear specific colors at the parade. We need to make a flyer for donations to use towards building a float. The dimensions on the trailer we will use are 7 x 16. Donations needed for float are a Christmas tree, a Santa Claus, candy canes, white fabric for skirt that looks like snow and Christmas music. Instead of Christmas music we may sing Christmas Carols. We also need a generator for float; Sean Nix might be able to find a generator. We would like to have a couple of coyote cut-outs made of Styrofoam and cloth to make axes. We will also ask IWV campus for Cerro Coso Banners to use in float or at parade.

Next meeting TBA: we are going to change last ASCC meeting from November 30 to December 2. However, it still needs to be announced.

Flyers needed: Flyer Holiday Party, Christmas Float, Men of Worth volunteers, and Food Drive donations.

Next Food Sale

Nachos- Planned date for nachos sale is October 19th, and 20th. Marnie motions for \$40.00 to be used towards Nacho with beans sale.

- o Diana Thompson moves for motion of \$40.00 to be used toward nacho sale, Lucas Salisbury seconds it. All in favor, motion passed.

Burritos- Planned date for Burritos sale is November 2nd, and 3rd. Marnie motions for \$40.00 to be used towards Burrito sale.

- o Diana Thompson moves for motion of \$40.00 to be used toward burrito sale, Lucas Salisbury seconds. All in favor, motion is passed.

Bake Sales- At Friday the first of October's Bake Sale, ASCC President Marnie was present, and ASCC at KRV advisor Debrah Rundell helped out, but no officers showed up. This is not a good way to run a bake sale. Officers must show up at bake sale and events or have someone else who can take their place.

If we obtain permission from a store (in this case Vons) we must make sure that the communication with the store is clear, to avoid being closed up.

Reimbursement

President Marnie motions for a reimbursement for three receipts of \$13.39, \$15.11, and \$8.99 of an additional snack purchase. The total reimbursement being asked for is \$37.69.

- o Lucas Salisbury moves the reimbursement of \$37.49 to Marnie J. Linebaugh, Diana Thompson seconds. All in favor, motion is passed.

Student Involvement with ASCC

College Director Eerie Johnson and ASCC advisor Debra Rundell have asked ASCC how to get students to be more involved with ASCC. Once again, ASCC advisor Debra Rundell asks ASCC to go to classrooms with permission from instructor and promote ASCC, discuss with students what ASCC does for the students, and what ASCC does for the Cerro Coso College KRV Campus.

ASCC President Marnie brings up that flyers are great attention grabbers; however, it would be better if the officers and/or student representatives went to the classes and informed all students about the ASCC.

Self
- Generic Posters - Pride

Pride Day- Debra brings up an excellent idea for the ASCC to get all the details figured out and have a pride day. This pride day would be to celebrate Cerro Coso students dressing professionally to attend school. Many students come to school dressed *too* casually; it would be best if the students come to school and are motivated to dress professionally. It would make it very motivating for the students if they are doing this together as a college. It may even be inspirational.

Halloween Party

ASCC President Marnie motions to have students bring baked goods on the night of the Halloween Party, October 29, 2010.

- o Diane Thompson moves to promote students to bake goods for the Halloween Party motioned seconded by ASCC student representative Lucas Salisbury. All in favor, motion is passed.

ASCC Board

ASCC motions we have our own ASCC board which will be updated daily

- o Diane Thompson moves that we use the whole board by the hallway, student representative Lucas Salisbury seconds. All in favor, motion is passed.

Food Drive

ASCC motions for an ongoing food drive.

- o Diane Thompson moves that ASCC have an ongoing food drive to help students and/or members of the community in need, student representative Lucas Salisbury seconds. All in favor, motion is passed.

- The nachos and polish sausages sales went well. Our petty cash is up to \$55 and we were able to purchase a flash drive to keep all of the pictures and music for the awards ceremony. We have also purchased the paper to print the awards out on.
- I need an officer to look up a template on line, or make one from last year's awards. Silver seals and two more ink cartridges need to be purchased so that the ASCC can print off the awards prior to May 1st. We can purchase these things out of the petty cash. I will turn in the insurance form's personally on Monday April 25th to the dean at the high school.
- We need to take one final vote on the food to be served at the ceremony. Do the officers all agree on Jim Wiley catering the event? We have discussed the issue of money, quantity, variety, and not having to pay in advance as pro's for our local catering. Reputation is what seems to be the allure of famous Dave's. Can we take a minute and look at Wiley's menu and decide exactly what should be on the menu? Vote.
- I will email Anna Sue this week to ask about the pepsi predicament.

Petty Cash: \$50.00

Minutes- ASCC needs a motion to adopt the minutes with some errors.

- o Diane T. motions to adopt the minutes, Jessica Conrad seconds.

Agenda- ASCC needs a motion to adopt the agenda with some errors.

- o Darren Smith motions to adopt the agenda, Diane Thompson seconds.

Recycling: Recycling was finished by Trenton Jewett and the \$11.86 made there is to help the ASCC. Many students advised for Trenton to take the recycling elsewhere because Web Recycling is not trustworthy.

Food Sales: The nacho food sale went very well and brought the ASCC enough money to buy a 4GB flash Drive for the ASCC slideshow at the awards ceremony.

Awards: We are still waiting for instructors to make their selections for student awards because the deadline is tomorrow April 20th.

ASCC need ink cartridges to print out the awards and seals for the awards.

ASCC needs an officer to make a template for the certificates. Mary volunteers to take care of certificates templates. On Monday we will see what you have looked up.

Awards Ceremony Food: ASCC has been thinking back and forth about who we should have cater at the awards ceremony. Marnie Linebaugh thinks that Jim Wiley would be great since we have had them catered before and we would get entrées and two sides, plus cake and drinks for a lot less than Trenton's idea of Dave's Barbeque. Trenton Jewett is concerned that while we will get more food it will not be good quality and insists that for \$145 more we go with Dave's Barbeque. The ASCC had a vote of what the students present would like to have. Eleven students voted for Dave's BBQ and one for Jim Wiley, majority ruled. ASCC will have Dave's BBQ cater at the awards ceremony. Terry Jo advises we ask for a first time discount.

- **Hands Across California:** Event date is April 17th, 2011. Scholarship information and particulars are available at: <http://www.handsacrosscalifornia.org>. Agenda for KRV A.S.C.C.
January 25, 2011
12:30- 1:30

Officers:

President: Marnie J. Linebaugh

Vice President : Mary Gleason

Treasurer: Trenton Jewett

Secretary Angie Del Gado

Advisor: Debra Rundell

Students in Attendance (all need to sign in)

1. Roll (call meeting to order)
2. Approve Minutes
3. Financial Report (balance of B of A account) Waiting for update, we will use the balance from the previous minutes.
4. Progress on the A.S.C.C. officers, I feel this is needed because it is almost impossible to get us all together at the same time and unfortunately I think this has lead to a lack of communication between us. I also want to address the division of tasks. Every week I will have a list of task's that need to be done, I will give you a date it needs to be completed by, and if you can not do it, you need to make sure that one of the other people from our A.S.C.C. group can. Do not be afraid to say you can't do it. Because I will trust that you did everything in your power to, it wasn't because it's not your job. The student government is a volunteer position, yet I look at it as an internship, and am proud to put time and care into the students of this school.

Treasurer: Trenton, after every meeting, I need you to make a copy of the minutes (as soon as the secretary has them typed up), and have ALL four forms filled out and signed by you and our advisor, then placed in the bin on the secretary/treasurer desk in room 10 so I can look it over and then I will send it to Ridgecrest. This task should be completed on or before the 9th day after the meeting (where the expense was voted on). I also need you to make and post the flyers that go along with any food/holiday sales that will generate money for A.S.C.C. These need to be posted at LEAST 5 day before the event. If you cannot complete this task, you may ask the secretary to do them, if she can't, she needs to let me know and I will get Mary to finish them .A balance is needed at every meeting. If you cannot remember any of these things, refer to past minutes, and agenda, and then ask, and I will answer you with respect. I did not receive satisfactory information about the pepsi deposit's like what is our quota? How

close are we to reaching it? Is KRV separate from Ridgecrest? I handed the job over to Mary, because I was not satisfied with your answers.

Secretary: Angie, the records of meetings, agenda, flyers and more are presently up-to date. We need you to have the minutes for the meeting typed up and ready for display in the book no later than 5 days after the meeting, and make sure you sign the minutes. I understand that your position is one of the most difficult because you have a lot of paperwork to keep up on and a lot of minutes to maintain, I appreciate your extra efforts to keep rm 10 occupied. It is hard to go to school, work and hold a position, and that is why I am glad you are holding this position, because you do a good job. These positions do ask students to go above and beyond, but the reward is well worth it. Slide show, what are your thoughts?

Vice President: Mary, we miss your involvement. I understand you have 2 jobs, go to school and have medical problems, but we can tell when you are not there. Since it seems so hard to get us together, I will delegate task's every week, you need to come by rm 10 at least once a week to pick up your task sheet. Same rules as the other officers, if you cannot complete a task, tell me so I can redistribute it to another officer. Do you understand what you have to do to prepare for the elections? If not, then set up a time with me to have us sit down together in rm 10 to discuss procedure and go over previous election forms etc. What did you find out about the pepsi commission?

The next 2 months are going to be hectic, unless we can pull together and start getting things done ahead of time. I want you all to know that I appreciate and need your extra time and energy in order to support the student government, to make Cerro Coso College a great school.

5. Open Forum -items which have not been discussed can be brought up now.

St. Patrick's Day

Living Green Festival

Student appreciation day 3-30,3-31

I need the officers to attend a meeting downstairs Wed. from 6-8 if you can not attend, please write down your educated thoughts and views on the school closing, and I will relay your thoughts at the meeting. I would rather have you there in person.

We are still trying to figure out how the invitations will go about. We are thinking at 5 people per student, and students are free.

We need a motion to charge \$6 additional dinner. Karen motions, Lucas seconds.

1. Roll (call meeting to order)
2. Approve Minutes
3. Financial Report (balance of B of A account). Trenton please fill out the corresponding paper work for the pepsi deposit and send up to Margaret Hunter. Also, can you buy ink for room 10? Black, and use the money out of the box, and please bring a receipt.

 - I propose we have a food sale of polish sausages on April 6th and 7th. The cost will be \$2.00.
 - Mary, have you made up the election flyers and ballots yet? We need them by Wednesday April 6th. Elections need to be held before April 25, does anyone propose a day?
 - We need to make sure that Kim Word is still going to do the slide show for the awards ceremony, if not, can we get pictures from her, and who can ask her about it? A finished copy needs to be examined by the ASCC before April 22nd.
 - We need to discuss the award ceremony themes, so we have enough time to order decorations.
 - I spoke to the Dean at the H.S. we can use their lights, P.A. system, podium, chairs, and a film screen, they need to know in advance how many chairs to have set up. We can not tape anything to the walls, but we can have confetti, etc. We just need to pick up after ward, and the custodians will clean the rest. We are getting the room free of charge from 3:30-9:30 on Friday May 6th (one week before the big one at R.C). We do not have access to the kitchen, yet we can have food. I will find out about tables. Mary could you please design and print some flyers for volunteers to help set up/decorate,

and those who want to help clean up. The H.S. also need a certificate of insurance submitted with the paperwork, so I am sending the form from the H.S. up to Anna Sue today, and after R.C. fills out and approves the application, I hope they will be sending it back with an insurance form before April 8th, so the H.S. can also send in our filled out form to their supervisor to have approved.

- Does anyone want to volunteer to put together the music? We need the final music list ready to inspect for approval before April 25.
- I am getting verification on the local caterer concerning his information, business license, what is included, etc. There was a suggestion on have Famous Dave's make bbq chicken sandwiches as the alternative to beef and pork.
- Corned beef and cabbage went well, on St. Patricks day many students dressed up and prizes were awarded to the top 3.
- ASCC also made enough petty cash to buy black ink and restock our snacks. We now have \$22.35 cents in petty cash.
- The Living green festival was a success, thanks to Trenton and Angie and Debra for sitting at the table on Sunday. I also wanted to thank Mary for joining me, Marnie, at the Phi Theta Kappa Cerro Coso table on Saturday.
