| | Proficient | Satisfactory | Unsatisfactory | Comments |
|--|------------|--------------|----------------|--|
| Discussion Involves Stakeholder Feedback | 1 | 5 | 2 | <ol style="list-style-type: none"> 1. Little culture at CC of getting <u>real</u> stakeholder feedback. Reps pretend they are elected & just vote their own preferences. 2. Group website for information is wonderfully informative. |
| Discussion is Informed | 2 | 5 | 1 | <ol style="list-style-type: none"> 1. Sometimes info comes in late or has a revision & due to my location, I don't receive a timely copy of items on the agenda. |
| Discussion is Professional | 4 | 2 | 2 | <ol style="list-style-type: none"> 1. Too many side conversations going on in the room. 2. Our meetings utilize phone and polycomm equipment to help cover our service area. Using phone & polycomm requires some etiquette in how we hold the meeting. Sometimes, during the meeting, etiquette is forgotten and those on the phone/Polycomm get "talked over" or have difficulty in participating. |
| Meetings are Effective | 2 | 6 | | <ol style="list-style-type: none"> 1. For the most part, meetings are effective but there have been times when it was more like controlled chaos and it felt as though nothing was moving forward. 2. Sometimes too much discussion and/or beating a dead horse. |
| Action is Accomplished | 2 | 5 | 1 | <ol style="list-style-type: none"> 1. Need college-wide communication tree. 2. The weakest link appears to be waiting on feedback from the District. |
