Course Outcomes Assessment Submission

This form will allow you to submit up to 8 SLO assessment results at a single time for a single section (i.e., CRN). If you have more than 8 SLOs in your class, you will have to submit this form more than once.

If you have results for more than one section, you will need to submit a form for each one.

Semester of Assessment * -- Choose -- v Year *

Form Submitter

Enter the semester that the course was **assessed**, which might not be the current semester.

Course * -- Choose -- v

CRN *

Course Mode * -- Choose -- v

Make sure that the CRN is correct. This form cannot check for a correct CRN. CRNs are 5 digits starting with a 7 for Fall classes, a 3 for Spring classes, and a 5 for Summer classes. If you are not sure of your CRN, it can be found on your class roster.

SLO -- Choose -- v

Number Enrolled

Number Who Completed Assessment

Number Met

Number Not Met

Is this the reassessment of an outcome previously having missed its target?

Is this a correction of previously submitted data? If so, the previous data will be disregarded and hidden from any reports.
