

ORIENTATION

Important

- Orientation is one of the requirements for Priority Registration
- Complete the Orientation first, then schedule and appointment for placement and counseling/advisement.
- Orientations are held on high school campuses and at the college throughout the year. These are posted on our [events page](#).

Online Orientation

Please note: You may need to log in to complete our online orientation. You will need your Student I.D. and it will take approximately 45-60 minutes. Ensure to take the test and survey at the end to receive credit.
