

CAREER CENTER

Welcome to the Cerro Coso Career Center

The mission of Cerro Coso Community College Career Center is to help individuals identify and fulfill their career goals. Aligning with the Cerro Coso Community College's mission statement, the Career Center provides students, alumni, and community members with access to resources and information related to career development. The Career Center serves as a bridge between the college experience and employment.

The Career Center is currently offering both Zoom and in-person appointments. You can schedule your own appointment via Navigate or contact the career center at careerservices@cerrocoso.edu. Please see the links below to schedule using Navigate.
