LIVE SESSION DESCRIPTIONS

Plenary Session

A welcome and general update from the California State University to include policies and initiatives, admissions, impaction, academic preparation, financial aid and student services.

Access for All Students: Overview of AB 540 Requirements and Resources for Students (Including Those Who May Be Undocumented)

The presentation will provide an overview of AB 540 eligibility and requirements, financial aid resources, and other resources for AB540 students, including those who may be undocumented.

CSU Campus Highlights

Join representatives from twenty-three campuses as they provide information on their campus including campus facts, impaction, admission and enrollment information. Counselors will have the opportunity to ask campus representatives questions. Please refer to the agenda to determine time and location for the campuses you want to visit.

CSU Financial Aid Workshop

Learn about financial aid for 2025/2026. We will cover changes to the 2025/2026 FAFSA and CADAA, the Student Aid index, changes to the Pell Grant calculation, Cost of Attendance, and unusual circumstances. We will also review the changes to the California State Financial Aid programs.

CSU GE Requirements, Cal-GETC, and ADTs

Learn how to prepare students for the various transfer pathways to the CSU. Receive updates and clarification about CSU General Education, the new Cal-GETC, and Associate Degrees for Transfer.

CSU Transfer Planner & Transfer Success Pathway Program: Dual Admission to the CSU

Learn more about CSU's dual admission program to provide another transfer pathway for students. Students who complete this program and meet the necessary campus admission requirements will be guaranteed future admission to a CSU campus. In addition, an overview of CSU's Transfer Planner will be provided that all transfer students can use to help plan for transfer to the CSU.

Esports - A New Strategy in Learner Support, Engagement, and Community

Esports has been taking the world of higher education by storm. What began as a student club, or an enrollment strategy adopted by smaller private institutions has become a staple strategy on campuses around the country and expanding across the globe. In this session, we will discuss the on- and off-campus shifts that esports has accelerated at our institutions and share the innovative benefits to enrollment, retention, recruitment, education, and career readiness.

Guiding Futures: Essential Tools for Major and Career Success

Join CSU, Fullerton's Career Center to learn strategies and utilize accessible tools to help students navigate the major and career exploration process.

Hospitality and Tourism: Preparing our CSU Students for a Thriving Career

The hospitality and tourism industry is thriving in California, the US, and around the world. From Event Management, Lodging, Food & Beverage, and Travel and Tourism, here about the programs offered at the different CSU's that promote Hospitality and Tourism. Representatives will share how CSU prepares students for this industry, hospitality scholarship opportunities, and successful alumni stories.

How to Advise Students on Completing the Cal State Apply Application

Cal State Apply is the application system for students to apply to the CSU. Receive tips and guidance on specific sections of the Cal State Apply online application. Learn more about the Cal State Apply application and the improvements that have been made for the upcoming application cycle.

Parallel Paths: Major Choice and Career Goals (Expanding Roles in Healthcare)

Students often select a major or career before fully understanding what's required and what other options are available. This workshop explores alternate majors that eventually lead to an RN post baccalaureate and Nursing adjacent majors that can lead to other careers in the health field. The workshop also includes a broader discussion of "What?" vs "Why?" when discussing career and major choices.

Supporting Students through the Educational Opportunity Program (EOP)

Learn more about the purpose of the Educational Opportunity Program (EOP) and the assistance provided to EOP-eligible undergraduate students who are historically low-income and educationally disadvantaged. The topics discussed will include the EOP admission criteria and the application process through Cal State Apply, EOP grant information, and support services available.

Teacher Preparation Programs: Preparing Our Future

The CSU prepares more of California's teachers- preschool through grade 12- than any other institutions combined. Learn about the different teacher preparation programs, why your students should still consider the Teachers/Education profession and programs available to help fund their education.
