	сс	\$2,000,000	\$2,000,000	
1	MDF / IDF Electrical Backup Power Supply Replacement	\$60,000		Current back up batteries are 15-20 years old and are at end of life.
Ė	INDITY IDI Electrical backup i ower supply replacement	300,000		Control Replacement of obsolete Rainbird irragation timers with Hyropoint control system.
	Water Conservation / Dust mitagation Xeriscaping	\$260,000		Contining placing gravel over baren dirt areas to reduce dust entering buildings near
2		,,		entryways, and remove vegatation slash piles.
	Door Repair and Replacement to include door access controls			
				Replacement of doors around campuses, repair and replacement of roll up doors, door
		\$260,000		replacement of doors around campuses, repair and replacement of roll up doors, door access and ADA access control repairs. Installation of Key Card access system in the IWV East
3	IWV	\$260,000		
3	ıwv			access and ADA access control repairs. Installation of Key Card access system in the IWV East Wing, ESCC Allied Health & Science Classrooms.
	IWV Mechanical, Energy, Plumping systems repair and replacemnt Phase	\$260,000 \$1,160,000		access and ADA access control repairs. Installation of Key Card access system in the IWV East Wing, ESCC Allied Health & Science Classrooms. HVAC units, piping to the units, Power to the units, VFD's, electrical panels for the HVAC.
3	IWV Mechanical, Energy, Plumping systems repair and replacemnt Phase two IWV.			access and ADA access control repairs. Installation of Key Card access system in the IWV East Wing, ESCC Allied Health & Science Classrooms.
4	Mechanical, Energy, Plumping systems repair and replacemnt Phase two IWV. Mechanical and Energy systems repair and replacemnt Phase One			access and ADA access control repairs. Installation of Key Card access system in the IWV East Wing, ESCC Allied Health & Science Classrooms. HVAC units, piping to the units, Power to the units, VFD's, electrical panels for the HVAC.
	IWV Mechanical, Energy, Plumping systems repair and replacemnt Phase two IWV. Mechanical and Energy systems repair and replacemnt Phase One ESCC Bishop.	\$1,160,000		access and ADA access control repairs. Installation of Key Card access system in the IWV East Wing, ESCC Allied Health & Science Classrooms. HVAC units, piping to the units, Power to the units, VFD's, electrical panels for the HVAC.
5	IWV Mechanical, Energy, Plumping systems repair and replacemnt Phase two IWV. Mechanical and Energy systems repair and replacemnt Phase One ESCC Bishop. Mechanical and Energy systems repair and replacemnt Phase two	\$1,160,000		access and ADA access control repairs. Installation of Key Card access system in the IWV East Wing, ESCC Allied Health & Science Classrooms. HVAC units, piping to the units, Power to the units, VFD's, electrical panels for the HVAC.
5	IWV Mechanical, Energy, Plumping systems repair and replacemnt Phase two IWV. Mechanical and Energy systems repair and replacemnt Phase One ESCC Bishop. Mechanical and Energy systems repair and replacemnt Phase two Mammoth.	\$1,160,000 \$100,000 \$100,000		access and ADA access control repairs. Installation of Key Card access system in the IWV East Wing, ESCC Allied Health & Science Classrooms. HVAC units, piping to the units, Power to the units, VFD's, electrical panels for the HVAC.
4 5 6 7	IWV Mechanical, Energy, Plumping systems repair and replacemnt Phase two IWV. Mechanical and Energy systems repair and replacemnt Phase One ESCC Bishop. Mechanical and Energy systems repair and replacemnt Phase two	\$1,160,000 \$100,000		access and ADA access control repairs. Installation of Key Card access system in the IWV East Wing, ESCC Allied Health & Science Classrooms. HVAC units, piping to the units, Power to the units, VFD's, electrical panels for the HVAC.
4 5 6 7 8	IWV Mechanical, Energy, Plumping systems repair and replacemnt Phase two IWV. Mechanical and Energy systems repair and replacemnt Phase One ESCC Bishop. Mechanical and Energy systems repair and replacemnt Phase two Mammoth.	\$1,160,000 \$100,000 \$100,000		access and ADA access control repairs. Installation of Key Card access system in the IWV East Wing, ESCC Allied Health & Science Classrooms. HVAC units, piping to the units, Power to the units, VFD's, electrical panels for the HVAC.
4 5 6 7 8 9	IWV Mechanical, Energy, Plumping systems repair and replacemnt Phase two IWV. Mechanical and Energy systems repair and replacemnt Phase One ESCC Bishop. Mechanical and Energy systems repair and replacemnt Phase two Mammoth.	\$1,160,000 \$100,000 \$100,000		access and ADA access control repairs. Installation of Key Card access system in the IWV East Wing, ESCC Allied Health & Science Classrooms. HVAC units, piping to the units, Power to the units, VFD's, electrical panels for the HVAC.
4 5 6 7 8 9	IWV Mechanical, Energy, Plumping systems repair and replacemnt Phase two IWV. Mechanical and Energy systems repair and replacemnt Phase One ESCC Bishop. Mechanical and Energy systems repair and replacemnt Phase two Mammoth.	\$1,160,000 \$100,000 \$100,000		access and ADA access control repairs. Installation of Key Card access system in the IWV East Wing, ESCC Allied Health & Science Classrooms. HVAC units, piping to the units, Power to the units, VFD's, electrical panels for the HVAC.
4 5 6 7 8 9 10 11	IWV Mechanical, Energy, Plumping systems repair and replacemnt Phase two IWV. Mechanical and Energy systems repair and replacemnt Phase One ESCC Bishop. Mechanical and Energy systems repair and replacemnt Phase two Mammoth.	\$1,160,000 \$100,000 \$100,000		access and ADA access control repairs. Installation of Key Card access system in the IWV East Wing, ESCC Allied Health & Science Classrooms. HVAC units, piping to the units, Power to the units, VFD's, electrical panels for the HVAC.
4 5 6 7 8 9 10 11 12	IWV Mechanical, Energy, Plumping systems repair and replacemnt Phase two IWV. Mechanical and Energy systems repair and replacemnt Phase One ESCC Bishop. Mechanical and Energy systems repair and replacemnt Phase two Mammoth.	\$1,160,000 \$100,000 \$100,000		access and ADA access control repairs. Installation of Key Card access system in the IWV East Wing, ESCC Allied Health & Science Classrooms. HVAC units, piping to the units, Power to the units, VFD's, electrical panels for the HVAC.
4 5 7 8 9 10 11 12 13	IWV Mechanical, Energy, Plumping systems repair and replacemnt Phase two IWV. Mechanical and Energy systems repair and replacemnt Phase One ESCC Bishop. Mechanical and Energy systems repair and replacemnt Phase two Mammoth.	\$1,160,000 \$100,000 \$100,000		access and ADA access control repairs. Installation of Key Card access system in the IWV East Wing, ESCC Allied Health & Science Classrooms. HVAC units, piping to the units, Power to the units, VFD's, electrical panels for the HVAC.
4 5 7 8 9 10 11 12 13 14	IWV Mechanical, Energy, Plumping systems repair and replacemnt Phase two IWV. Mechanical and Energy systems repair and replacemnt Phase One ESCC Bishop. Mechanical and Energy systems repair and replacemnt Phase two Mammoth.	\$1,160,000 \$100,000 \$100,000		access and ADA access control repairs. Installation of Key Card access system in the IWV East Wing, ESCC Allied Health & Science Classrooms. HVAC units, piping to the units, Power to the units, VFD's, electrical panels for the HVAC.
4 5 7 8 9 10 11 12 13	IWV Mechanical, Energy, Plumping systems repair and replacemnt Phase two IWV. Mechanical and Energy systems repair and replacemnt Phase One ESCC Bishop. Mechanical and Energy systems repair and replacemnt Phase two Mammoth.	\$1,160,000 \$100,000 \$100,000		access and ADA access control repairs. Installation of Key Card access system in the IWV East Wing, ESCC Allied Health & Science Classrooms. HVAC units, piping to the units, Power to the units, VFD's, electrical panels for the HVAC.
4 5 7 8 9 10 11 12 13 14	IWV Mechanical, Energy, Plumping systems repair and replacemnt Phase two IWV. Mechanical and Energy systems repair and replacemnt Phase One ESCC Bishop. Mechanical and Energy systems repair and replacemnt Phase two Mammoth. Signage replacement Phase two IWV	\$1,160,000 \$100,000 \$100,000 \$60,000		access and ADA access control repairs. Installation of Key Card access system in the IWV East Wing, ESCC Allied Health & Science Classrooms. HVAC units, piping to the units, Power to the units, VFD's, electrical panels for the HVAC.
4 5 7 8 9 10 11 12 13 14	IWV Mechanical, Energy, Plumping systems repair and replacemnt Phase two IWV. Mechanical and Energy systems repair and replacemnt Phase One ESCC Bishop. Mechanical and Energy systems repair and replacemnt Phase two Mammoth. Signage replacement Phase two IWV	\$1,160,000 \$100,000 \$100,000 \$60,000		access and ADA access control repairs. Installation of Key Card access system in the IWV East Wing, ESCC Allied Health & Science Classrooms. HVAC units, piping to the units, Power to the units, VFD's, electrical panels for the HVAC.
4 5 7 8 9 10 11 12 13 14	IWV Mechanical, Energy, Plumping systems repair and replacemnt Phase two IWV. Mechanical and Energy systems repair and replacemnt Phase One ESCC Bishop. Mechanical and Energy systems repair and replacemnt Phase two Mammoth. Signage replacement Phase two IWV	\$1,160,000 \$100,000 \$100,000 \$60,000		access and ADA access control repairs. Installation of Key Card access system in the IWV East Wing, ESCC Allied Health & Science Classrooms. HVAC units, piping to the units, Power to the units, VFD's, electrical panels for the HVAC. Lots of associated systems, so MEP (Mechanical, Energy and Plumbing) is all involved.
4 5 6 7 8 9 10 11 12 13 14 15	IWV Mechanical, Energy, Plumping systems repair and replacemnt Phase two IWV. Mechanical and Energy systems repair and replacemnt Phase One ESCC Bishop. Mechanical and Energy systems repair and replacemnt Phase two Mammoth. Signage replacement Phase two IWV PC Greenhouse/Ag Infrastructure	\$1,160,000 \$100,000 \$100,000 \$60,000		access and ADA access control repairs. Installation of Key Card access system in the IWV East Wing, ESCC Allied Health & Science Classrooms. HVAC units, piping to the units, Power to the units, VFD's, electrical panels for the HVAC. Lots of associated systems, so MEP (Mechanical, Energy and Plumbing) is all involved. This is remodel of greenhouse electrical, fans, coolers, plumbing, Heater, controls and
4 5 6 7 8 9 10 11 12 13 14 15	IWV Mechanical, Energy, Plumping systems repair and replacemnt Phase two IWV. Mechanical and Energy systems repair and replacemnt Phase One ESCC Bishop. Mechanical and Energy systems repair and replacemnt Phase two Mammoth. Signage replacement Phase two IWV	\$1,160,000 \$100,000 \$100,000 \$60,000 \$1,416,089 \$250,000	\$1,416,089	access and ADA access control repairs. Installation of Key Card access system in the IWV East Wing, ESCC Allied Health & Science Classrooms. HVAC units, piping to the units, Power to the units, VFD's, electrical panels for the HVAC. Lots of associated systems, so MEP (Mechanical, Energy and Plumbing) is all involved. This is remodel of greenhouse electrical, fans, coolers, plumbing, Heater, controls and
4 5 7 8 9 10 11 12 13 14 15	IWV Mechanical, Energy, Plumping systems repair and replacemnt Phase two IWV. Mechanical and Energy systems repair and replacemnt Phase One ESCC Bishop. Mechanical and Energy systems repair and replacemnt Phase two Mammoth. Signage replacement Phase two IWV PC Greenhouse/Ag Infrastructure Campus Way Finding Signage update	\$1,160,000 \$100,000 \$100,000 \$60,000 \$1,416,089 \$250,000	\$1,416,089	access and ADA access control repairs. Installation of Key Card access system in the IWV East Wing, ESCC Allied Health & Science Classrooms. HVAC units, piping to the units, Power to the units, VFD's, electrical panels for the HVAC. Lots of associated systems, so MEP (Mechanical, Energy and Plumbing) is all involved. This is remodel of greenhouse electrical, fans, coolers, plumbing, Heater, controls and irrigation upgrades
4 5 6 7 8 9 10 11 12 13 14 15	IWV Mechanical, Energy, Plumping systems repair and replacemnt Phase two IWV. Mechanical and Energy systems repair and replacemnt Phase One ESCC Bishop. Mechanical and Energy systems repair and replacemnt Phase two Mammoth. Signage replacement Phase two IWV PC Greenhouse/Ag Infrastructure Campus Way Finding Signage update Building Signage update	\$1,160,000 \$100,000 \$100,000 \$60,000 \$1,416,089 \$250,000 \$76,089 \$275,000	\$1,416,089	access and ADA access control repairs. Installation of Key Card access system in the IWV East Wing, ESCC Allied Health & Science Classrooms. HVAC units, piping to the units, Power to the units, VFD's, electrical panels for the HVAC. Lots of associated systems, so MEP (Mechanical, Energy and Plumbing) is all involved. This is remodel of greenhouse electrical, fans, coolers, plumbing, Heater, controls and irrigation upgrades Maybe one project
4 5 7 8 9 10 11 12 13 14 15	IWV Mechanical, Energy, Plumping systems repair and replacemnt Phase two IWV. Mechanical and Energy systems repair and replacemnt Phase One ESCC Bishop. Mechanical and Energy systems repair and replacemnt Phase two Mammoth. Signage replacement Phase two IWV PC Greenhouse/Ag Infrastructure Campus Way Finding Signage update Building Signage update Campus Monument Sign Replacement	\$1,160,000 \$100,000 \$100,000 \$60,000 \$1,416,089 \$250,000 \$76,089 \$275,000 \$475,000	\$1,416,089	access and ADA access control repairs. Installation of Key Card access system in the IWV East Wing, ESCC Allied Health & Science Classrooms. HVAC units, piping to the units, Power to the units, VFD's, electrical panels for the HVAC. Lots of associated systems, so MEP (Mechanical, Energy and Plumbing) is all involved. This is remodel of greenhouse electrical, fans, coolers, plumbing, Heater, controls and irrigation upgrades Maybe one project Maybe one project
