- Adequate internal controls exist.
- Fiscal objectives, procedures, and constraints are communicated to the Board and employees.

- Responsibility and accountability for fiscal management are clearly delineated.
- The books and records of the District shall be maintained pursuant to the California Community Colleges Budget and Accounting Manual.
- As required by law, the Board shall be presented with a quarterly report showing the financial and budgetary conditions of the District.
- As required by the California Community Colleges Budget and Accounting Manual, expenditures shall be recognized in the accounting period in which the liability is incurred and shall be limited to the amount budgeted for each major classification of accounts and to the total amount of the budget for each fund.

The Chancellor shall also establish procedures that satisfy the U.S. Education Department General Administrative Regulations (EDGAR) Second Edition for any federal funds received by the District.

## **College-Sponsored Events**

College-sponsored events are those events which are funded in whole or in part by the College or are associated with the College name by permission of the College President. College-sponsored events, including athletic events, shall be under the supervision of the College Presidents. Operational responsibilities may be delegated to appropriate officers of the respective Colleges.

Extra-curricular activities are those activities which enhance but may not directly relate to the instructional program. Extra-curricular activities determined by the College President or designee to not be a part of the regular College program shall be self-supporting.

Net proceeds generated from College-sponsored events, including College-operated and gate receipts, shall be used to fund the co-curricular programs. Co-curricular programs are those activities which occur outside of the classroom but which support the instructional program. Each College shall adopt procedures for allocating all College-sponsored event net proceeds to its co-curricular programs. The income and expense allocations shall be incorporated into the respective College budgets to be approved and adopted by the Board of Trustees.

Every effort shall be made to make student body or other extra-curricular activities self-supporting.

If there is income from gate receipts or other sources sufficient to pay part but not all of the costs of any of the equipment as listed above, the College may make up the deficit. Such requests must be estimated in advance and must be included in the budget.

**Income**

All money received by the District, regardless of the source, will be deposited according to Education Code and County requirements. (Education Code Sections 41001-41002)

The Chief Financial Officer will establish a procedure for clearly identifying all sources of income. Such delineation with amounts received will be shown on the budget and all income financial reports.

All money received by and/or collected by any member College or its auxiliary organizations for any purpose whatsoever must be deposited with the College's Business Services Office.

All income received for activities and events will be deposited in the same funding sources as the expenses for such activities and events.

The administration is authorized to prepare and submit federal, state, local governmental and/or local private foundation grant applications that further the Kern Community College District's strategic mission.

## **Budget Limitations**

The Business Manager at each College controls the budget for his/her respective campus and reviews the monthly budget/expenditure reports. Each department receives a copy of the appropriate budget/expenditure report for information purposes. The Chief Financial Officer, and the Director, Accounting Services, shall review the District's financial statement for budget control on a monthly basis prior to submission to the Board of Trustees for information at regularly scheduled Board meetings. The financial statements are prepared by major object code levels. The budget/expenditure reports by department, object code sequence, or funded projects option contain individual account numbers.

## **Guidelines for Processing and Maintaining Revolving Funds at the Colleges**

1. Funds will be maintained in a regular checking account by the College Business Office. The checking account will be in the name of the College, will have a requirement of at least two signatories on a check, and a check limit of \$2,500.00. Purchases are restricted to goods and services required for the operation of the College and the accomplishment of the College mission.
2. Reimbursements from the revolving fund will require a paper requisition with the appropriate approval and a vendor receipt. There will be no exceptions to the vendor receipt requirement.
3. A check may be issued for advance payment if the following conditions are met:
  - documentation indicating the amount and the requirement for advance payment is made available and,
  - a paper requisition is prepared with the appropriate approvals.
4. Funds initially will be accounted for through the establishment of a separate unit of accounting in the software program currently used for the travel funds.
5. Funds will be subject to spot audits, and documentation must be available to support all checks issued against the account and not yet reimbursed by the District.
6. Revolving funds will be reimbursed by the District based on direct pay entry to be accomplished in the Business Office according to the following:
  - The College Business Office to enter the direct pay data, supported by documentation.
  - The support documentation will include a purchase request and a vendor invoice.
  - The purchase request reflecting the appropriate approvals and the invoice stamped "revolving fund reimbursement" will be forwarded to the Learning Services Center after entry in the system as a direct pay.
  - A copy of the purchase request will be maintained at the campus with the annotation that it has been posted and forwarded to the Learning Services Center.
  - The Learning Services Center will verify the receipt of the documentation, approve the direct pay; reimbursement checks will be issued on the 15th and 30th of the month without further action.
