Prevent Sexual Violence On Campus

Wild Iris and Cerro Coso College Present

**Cerro Coso Community
College
Bishop Campus
April 15th
Mammoth Campus
April 22nd**

3:00 – 7:00 PM

The Clothesline Project is a visual display that graphically demonstrates the impact of violence against women, men and children. The purpose of this project is multi-faceted: to educate, to grieve for those who have lost their lives due to violence, and to bear witness to and honor every victim's courage to survive and to heal.
