Cerro Coso Community College (CC) is in the planning stages of building a satellite facility in California City. This building will be just south of the new Best Western motel, adjacent to the 10th fairway. To celebrate this endeavor, the committee planning the golf tournament that benefits CC book scholarships, decided to host this tournament at Tierra del Sol in Cal City. For the many partners and players who support these students, we say, "Thank You!" and hope that you can play through this temporary change this year.
