Thursday 1:15pm – 2:00pm – Session 4 (45 Minute Sessions)

Session	Description	Presenter(s)
Got Video? Using Canvas Studio & PlayPosit to organize, caption, & add interactivity to video	Canvas Studio is a great way to store, organize, and caption video. PlayPosit enhances your Studio videos with a more robust set of quizzing and monitoring tools. Want to know which students looked at the video and for how long? Playposit can answer those questions and is directly available in your Canvas course! In addition, Studio offers basic editing capabilities, and PlayPosit offers caption editing capabilities even for videos from youtube. https://cccconfer.zoom.us/j/93232401031	Sylvia Sotomayor
eLumen and Canvas: How to plan, connect, and assess within eLumen and Canvas	This session will cover how to use eLumen and Canvas to assess your SLOs. The session will also provide an interactive tutorial for inputting assessment data in eLumen directly and also how to link Canvas to eLumen so you can assess within the Speed grader and import your data to eLumen. https://cccconfer.zoom.us/j/93966312899	Dawn Ward

2:00pm - 2:10pm – 10 Minute Break

Thursday 2:10pm – 3:00pm – Session 4 (50 Minute Sessions)

Session	Description	Presenter(s)
Program Review: Outcomes Training	<p>This presentation is for authors and chairs for instructional program reviews to be written this year with the new template. We will discuss what the Outcomes Assessment Committee (OAC) looks for when reviewing the document, accessing eLumen, and troubleshooting. Bring a computer to leave the session with your assessment data. Note: At this time, only department chairs have access to the assessment data needed for Program Review. This will also serve as a training session for OAC and PRC.</p> <p>https://cccconfer.zoom.us/j/91333655144</p>	Dawn Ward and Jaclyn Kessler
