**VII. Discussion Items:**

- a. Returning to Campus Student Concerns and Qs**

- i. “As you may have heard, each college in the district is attempting to gather student concerns and questions regarding the recent mandates for vaccinations and masks on campus. Chancellor Christian has asked that each college hold a *townhall* on the 2<sup>nd</sup> day of classes to provide students a venue for voicing concerns and asking questions. Once the colleges have gathered their student voices, the district and its team will pull together responses for a district-wide townhall to be held on Tuesday, August 31. After talks with a few from our leadership, a multi-pronged approach might be better suited for our populations. What I’m thinking is:

- 1. 1-2 people take student questions in Main Building 218 (probably students, if available)
      - a. Mary, Dianne, and Mia
    - 2. 1-2 people take questions via Zoom (could even be the same people that are in MB218)
    - 3. We collect student questions via social media (Instagram, Facebook, and Discord)
    - 4. Perhaps we have been receiving questions via the covid response team email – those would apply here, as well.”
