Since this change has been implemented, student government account funds have increased. We are now looking into this for our student government to help increase our funds.

Section 9: **Club Start Up Fund:** The Student Government of Cerro Coso shall deposit or transfer enough money into the bank account of newly activated or reactivated Clubs to reach a total one-hundred dollars (\$100.00) in the Club's account. A Club is considered newly activated or reactivated during the semester during which the activation occurred.
- b. Draft proposed section for SGCC and student representation pay
 - i. We are good to move forward on implementing compensation for students for participatory governance. I know there was a proposal for SGA, but we need to expand to committee participation, and it will need to be reflected in the by-laws. I am not as familiar with the student

rep fee budget, but I am happy to help if there is a need. I think to the extent we can get this reflected formally in their by-laws, we can get this implemented.
