i. Section 9: **Club Start Up Fund:** The Student Government of Cerro Coso shall deposit or transfer enough money into the bank account of newly activated or reactivated Clubs to reach a total one-hundred dollars (\$100.00) in the Club's account. A Club is considered newly activated or reactivated during the semester during which the activation occurred.

b. Draft proposed section for SGCC and student representation pay

i. We are good to move forward on implementing compensation for students for participatory governance. I know there was a proposal for SGA, but we need to expand to committee participation, and it will need to be reflected in the by-laws. I am not as familiar with the student rep fee budget, but I am happy to help if there is a need. I think to the extent we can get this reflected formally in their by-laws, we can get this implemented.
