A Club is considered newly activated or reactivated during the semester during which the activation occurred.

**b.** Draft proposed section for SGCC and student representation pay

- i. We are good to move forward on implementing compensation for students for participatory governance. I know there was a proposal for SGA, but we need to expand to committee participation, and it will need to be reflected in the by-laws. I am not as familiar with the student rep fee budget, but I am happy to help if there is a need. I think to the extent we can get this reflected formally in their by-laws, we can get this implemented.
